### Notice Concerning Support for TCFD Recommendations

Mitsui Bussan & IDERA Partners Co., Ltd. (hereinafter the "Asset Manager"), the asset management company of MIRAI Corporation (hereinafter "MIRAI") announces that it has expressed support for the recommendations of the Task Force on Climate-related Financial Disclosures ("TCFD") and also joined the TCFD consortium, a group of domestic companies that support TCFD recommendations.

#### 1. Overview of TCFD

The TCFD is a task force established by the Financial Stability Board (FSB) to examine climate-related disclosures and response policies of financial institutions. It views climate change as a serious risk to the global economy and has published recommendations for corporations and others to understand and disclose their "Governance," "Strategy," "Risk Management," and "Metrics and Targets" regarding climate-related risks and opportunities. Please refer to the page on the MIRAI's website for disclosures based on the MIRAI's TCFD recommendations. (URL: <https://3476.jp/en/esg/climate.html>)

#### 2. Overview of TCFD Consortium

TCFD Consortium is a group of companies and financial institutions that support the TCFD recommendations. The consortium was established with a view to further discussion on effective corporate disclosures of climate-related information and initiatives to link disclosed information to appropriate investment decisions on the part of financial institutions and other organizations.

3. MIRAI's Approach to ESG

In accordance with "Sustainability Policy" established by the Asset Manager, MIRAI and the Asset Manager will continue to promote measures related to sustainability.
