**Notice Concerning Hiring New Graduates to Join in 2024:  
Resumption for First Time in Four Years Since 2020**

Leopalace21 Corporation (Headquarters: Nakano-ku, Tokyo; President and CEO: Bunya Miyao; the "Company") announced that it will resume hiring new graduates with the aim of providing more comfortable housing and sustainable growth amid increased demand for its managed apartments. The Company aims to secure excellent human resources by raising the starting salary of new graduates as announced on March 30, 2023 in the "[Notice Concerning Increase in Base Salary and in Initial Salary for New Graduates.](#)"

**1. Background of Resumption in Hiring New Graduates**

The Company has created an environment in which all the employees can contribute to innovation and play an active role regardless of their employment history. By actively incorporating the opinions of the younger generation, the Company aims to achieve "Creating New Value" through business expansion and new business development.

**2. Details of Recruitment**

Please refer to the following recruitment website for details. (only in Japanese language)

<https://job.mynavi.jp/24/pc/search/corp53783/outline.html>

The Company provides housing that is indispensable to people's living. In order to realize people's desire for comfortable rooms, and for making effective use of the land, the Company develops an integrated business as a package which ranges from building apartments including development and design to leasing and providing management services.

As a pioneer in the housing and real estate industry, the Company will continue to provide "new value" to the society.
