FOR IMMEDIATE RELEASE  
Seven Bank, Ltd.

To Whom It May Concern

### April 2023 Monthly Data (Non-consolidated)

Seven Bank, Ltd. hereby announces the monthly data for April 2023 as described below.

		April 2023
Number of ATMs installed (units) [as of the end of the month]		26,896
Number of ATM transactions [during the month]	Total number of transactions (million)	84.0
	Daily average transactions per ATM (transactions/ATM/day)	104.6

Notes:

1. The figures announced in the monthly data are preliminary figures and may be revised in announcements of future monthly data. This material is not subject to audit by the audit corporation.
2. Number of ATM transactions do not include balance inquiries, e-money charges, PIN changes, and withdrawal limit changes.
3. Total number of transactions and daily average transactions per ATM have been rounded down to the nearest first decimal place.
4. Daily average transactions per ATM is calculated = Total number of transactions / Total number of ATMs in operation each day during the month.
5. Seven Bank announces its monthly data around the 10th (the following business day if the 10th falls on Saturday, Sunday, or a national holiday) of the following month. The timing of the announcement is subject to change without advance notice depending on the circumstances.
