NTT's Response to the Introduction of a System for Providing Informational Materials for the Ordinary General Meeting of Shareholders in Electronic Format

Due to amendments to the Companies Act, all listed companies are now mandated to provide Informational Materials for their Ordinary General Meetings of Shareholders over the Internet. The Company's response in the first fiscal year of the introduction of this system will be to send the same information sent previously by mail (this booklet and the additional booklet).

This booklet : From the next Ordinary General Meetings of Shareholders onward, we will send it to all shareholders by mail.

(Reference information required for exercising voting rights, such as resolutions and financial results highlights, have been added.)

Additional Booklet : We will send it to all shareholders by mail for this meeting only. Going forward, shareholders wishing to receive it by mail must complete the procedures to make a Request for Delivery of Paper-Based Documents.

(Shareholders who have already completed these procedures do not need to repeat them.)

Notice of Convocation of the 38th Ordinary General Meeting of Shareholders

To All Shareholders

I would like to take this opportunity to thank all of NTT's shareholders for your continued support.

I am delighted to present this Notice of Convocation of the 38th Ordinary General Meeting of Shareholders to be held on Thursday, June 22, 2023.

During the 38th fiscal year (April 1, 2022 – March 31, 2023), as shown in the below financial results highlights, operating revenues, operating profit and profit all increased to set new records for their highest levels. While the future economic conditions and business environment remain unclear, NTT Group will both respond to change and at times implement reforms in anticipation of change to carve out our own path.

The enhancement of shareholder returns is among NTT's most important management issues, and our basic policy is to steadily increase dividends. In this fiscal year, we plan to increase dividends for the 12th consecutive fiscal year, and the annual dividend per share will be ¥120.

I would like to conclude this message by thanking our shareholders in advance for their continued understanding and support.

島田 明

Akira Shimada
President and Chief Executive Officer
Representative Member of the Board
NIPPON TELEGRAPH AND TELEPHONE CORPORATION

Reference Materials for the Ordinary General Meeting of Shareholders (Summary)

- ▶ For the complete Informational Materials for the Ordinary General Meeting of Shareholders, please refer to the matters subject to measures for electronic provision (or, the Informational Materials for the Ordinary General Meeting of Shareholders included [Additional Booklet] for this meeting only.)

Resolutions and reference materials (Summary)

Item	Resolution	Content (Overview)
First	Distribution of Earned Surplus	¥60 per share of common stock
Second	Election of four (4) Audit & Supervisory Board Members	Election accompanying the expiration of the terms of office of Audit & Supervisory Board Members

First Item Distribution of Earned Surplus

- 1 Matters relating to allotment of dividends and total amount of dividends to be distributed:** Per share of common stock: ¥60
Total amount of dividends: ¥204,629,300,880

As the Company has already distributed an interim dividend of ¥60 per share of common stock, the annual dividend for the fiscal year will be ¥120 per one share of common stock.

- 2 Date on which the dividend becomes effective:** June 23, 2023

Reference Changes in Dividends per Share

We have set the maximization of corporate value over the medium to long term as an important management challenge, and identified the return of profits to shareholders as an important management goal.

Taking into account the forecast of the annual dividend per share for FY2023 (total of ¥125 for the year), which was announced in the Financial Results Release for FY2022 on May 12, 2023, dividends will have increased for the 13th consecutive fiscal year.

Note: NTT has implemented a one-hundred-for-one stock split of common stock with an effective date of January 4, 2009, a two-for-one stock split of common stock with an effective date of July 1, 2015, and a two-for-one stock split of common stock with an effective date of January 1, 2020. Figures for annual dividend per share of common stock are stated, taking these stock splits into consideration.

Resolutions and matters for reference

First Item Distribution of Earned Surplus

Nippon Telegraph and Telephone Corporation (the “Company”) has set as its important management challenge the maximization of corporate value over the medium to long term, and the Company has identified the return of profits to shareholders as an important management goal.

In determining the level of dividends for the fiscal year ended March 31, 2023, the Company, while giving consideration to stability and sustainability, takes into account a full range of factors, including business performance, financial standing and dividend payout ratio.

1 Type of asset to be distributed: Cash

2 Matters relating to allotment of dividends and total amount of dividends to be distributed: Per share of common stock : ¥60
Total amount of dividends : ¥204,629,300,880

As the Company has already distributed an interim dividend of ¥60 per share of common stock, the annual dividend for the fiscal year will be ¥120 per one share of common stock.

3 Date on which the dividend becomes effective: June 23, 2023

Changes in Dividends per Share

Note: NTT implemented a two-for-one stock split of common stock with an effective date of January 1, 2020. Figures for annual dividend per share of common stock are stated, taking the stock split into consideration.

Please refer to page 46 for the capital policy. ▶

Second Item Election of Four (4) Audit & Supervisory Board Members

Among the six current Audit & Supervisory Board Members, the term of office of five Audit & Supervisory Board Members will expire at the conclusion of this Ordinary General Meeting of Shareholders. The Company is seeking approval for the election of four Audit & Supervisory Board Members, aiming to continue the maintenance and enhancement of corporate governance by a system composed of five members, including three Full-time Audit & Supervisory Board Members, with emphasis given to independence and diversity. Audit & Supervisory Board supports this proposal.

The candidates for Audit & Supervisory Board Member are as follows:

1 Keiichiro Yanagi Male, 62 years old, (August 16, 1960) Reelection **Number of shares of the Company held: 200 shares**

June 2017:	External Director of Sumitomo Mitsui Trust Bank, Limited (present post)
June 2019:	Outside Audit & Supervisory Board Member of the Company (present post)

Reasons for reelection as an Outside Audit & Supervisory Board Member

Mr. Hideki Kanda is an expert with a wealth of experience in the legal sector and has served as a university professor specializing in law for many years. The Company expects that he will conduct future audits based on the knowledge and insight he has gained throughout his career.

Matters regarding independence

Although the Company and its major subsidiaries have relationships involving transactions and donations with the University of Tokyo, where Mr. Hideki Kanda previously served as a professor, and Gakushuin University, where he currently serves as a professor, as shown in the table below, both cases fulfill the independence criteria stipulated by the Tokyo Stock Exchange, on which the Company is listed, and the Company's own independence standards for independent officers.*

Transaction counterparty	Content	Comparison basis	Comparative size
The University of Tokyo, where Mr. Hideki Kanda previously served as a professor	Total annual amount of transactions	Total annual operating revenues of the Company and its major subsidiaries	Less than 1%
		Total annual income of the university	Less than 1%
	Total annual amount of donations	Total annual income of the university	Less than 1%
Gakushuin University, where Mr. Hideki Kanda currently serves as a professor	Total annual amount of transactions	Total annual operating revenues of the Company and its major subsidiaries	Less than 1%
		Total annual income of the university	Less than 1%

* Please refer to page 45 for details on the Company's independence standards for independent officers.

- Notes: 1. Mr. Hideki Kanda is a candidate for outside Audit & Supervisory Board Member. Mr. Hideki Kanda has not previously been involved in the management of a company other than by way of becoming an outside Member of the Board or an outside Audit & Supervisory Board Member. However, as stated in the above reasons for reelection as an outside Audit & Supervisory Board Member, the Company has determined that he is capable of adequately serving as an outside Audit & Supervisory Board Member.
2. As stated in the above matters regarding independence, as Mr. Hideki Kanda fulfills the independence criteria stipulated by the Tokyo Stock Exchange, on which the Company is listed, and the Company's own independence standards for independent officers, and there is no concern that conflicts of interest with general shareholders would arise, the Company has designated him as an independent officer and filed the information related thereto with the aforementioned stock exchange. The Company plans to continue to designate him as an independent officer should his election be approved.
3. In order for Mr. Hideki Kanda to fully perform his expected role as an outside Audit & Supervisory Board Member, pursuant to the provisions of Article 427, paragraph (1) of the Companies Act, the Company has entered into agreement with the candidate limiting his liability for damages pursuant to Article 423, paragraph (1) of the same act. If the reelection of Mr. Hideki Kanda is approved, the Company intends to continue the said agreement with him. The maximum amount of liability for damages pursuant to such agreement is the minimum liability amount stipulated in Article 425, paragraph (1) of the Companies Act.

- Notes:
- Ms. Kaoru Kashima is a candidate for outside Audit & Supervisory Board Member.
 - As stated in the above-mentioned matters regarding independence, as Ms. Kaoru Kashima fulfills the independence criteria stipulated by the Tokyo Stock Exchange, on which the Company is listed, and the Company's own independence standards for independent officers, and there is no concern that conflicts of interest with general shareholders would arise, the Company has designated her as an independent officer and filed the information related thereto with the aforementioned stock exchange. The Company plans to continue to designate her as an independent officer should her election be approved.
 - In order for Ms. Kaoru Kashima to fully perform her expected role as an outside Audit & Supervisory Board Member, pursuant to the provisions of Article 427, paragraph (1) of the Companies Act, the Company has entered into agreement with the candidate limiting her liability for damages pursuant to Article 423, paragraph (1) of the same act. If the reelection of Ms. Kaoru Kashima is approved, the Company intends to continue the said agreement with her. The maximum amount of liability for damages pursuant to such agreement is the minimum liability amount stipulated in Article 425, paragraph (1) of the Companies Act.

		3	Hideki Kanda	Audit & Supervisory Board Member	Reelection	Outside Independent
		4	Kaoru Kashima	Audit & Supervisory Board Member	Reelection	Outside Independent

- (Notes) 1. Up to five fields in which expectations for individual Members of the Board/Audit & Supervisory Board Members are particularly high are listed. The following table is not an exhaustive list of the knowledge and experience possessed by each Member of the Board or Audit & Supervisory Board Member.
2. NTT has entered into a directors and officers liability insurance policy as provided for in Article 430-3, paragraph (1) of the Companies Act with an insurance company, whereby all of its Members of the Board and Audit & Supervisory Board Members constitute the insured. This insurance policy covers the insured's losses and such costs as related litigation expenses incurred from claims for damages arising from acts (including nonfeasance) carried out by the insured as an officer or a person at a certain position of the Company. However, losses and costs personally incurred by the insured as a result of the insured having engaged in criminal acts such as bribery and intentional illegal activities are not covered by the policy as a measure to ensure that the proper performance of duties by officers is not impaired. The respective Audit & Supervisory Board Member candidates will continue to constitute the insured under the insurance policy if they are reelected as Audit & Supervisory Board Members. Moreover, when the policy is renewed, the Company plans to renew the policy with the terms above.

1. Business Progress and Results

(1) Business Environment

In the fiscal year ended March 31, 2023, the information and telecommunications market saw the expansion of cloud services and 5G services and the rapid advance of technologies such as AI, digital twin, and quantum computing. Furthermore, the progressing accumulation, analysis, and utilization of a wide range of data are driving a global digital transformation resulting in reforms that will be taken in a further positive direction, such as by improving the convenience of people's daily lives, creating new business models, and enhancing productivity. This trend is accelerating amid the ongoing transformation of workstyles and lifestyles in which both the real and online worlds coexist in response to COVID-19. Meanwhile, society needs to take steps such as strengthening information security against increasingly sophisticated and complex cyberattacks, reinforcing anti-disaster measures, and contributing to the protection of the environment. The role of information and telecommunications is also becoming more important in terms of resolving these wide-ranging societal issues.

(2) Business Status

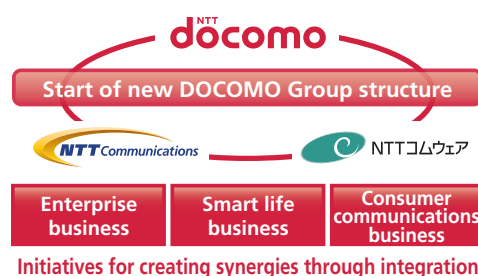

In this business environment, NTT Group promoted initiatives aimed at contributing to the realization of a sustainable society through enhancement of domestic and global business, enhancement of corporate value, and transformation to a new management style under the Medium-Term Management Strategy “Your Value Partner 2025.” As a result, consolidated operating revenues for the fiscal year ended March 31, 2023 were 13,136.2 billion yen (an increase of 8.1% from the previous fiscal year), consolidated operating profit was 1,829.0 billion yen (an increase of 3.4% from the previous fiscal year), and consolidated profit attributable to NTT was 1,213.1 billion yen (an increase of 2.7% from the previous fiscal year).

Enhance Domestic and Global Business

We worked on growth and strengthening of the newly formed DOCOMO Group, enhancing competitiveness in global business, the start of provision of APN based on the IOWN concept, promoting B2B2X model, and strengthening of new businesses.

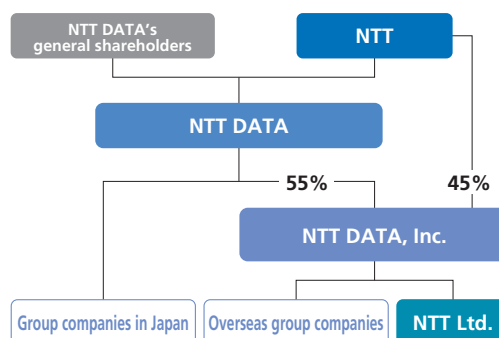

[Growth and Strengthening of the New DOCOMO Group]

- In July 2022, to create synergies through integration, NTT DOCOMO, NTT Communications, and NTT Comware launched a new DOCOMO Group structure. In the enterprise business, we integrated and strengthened the sales functions under NTT Communications. In the smart life business, we enhanced the contents through the integration of the video business and strengthened cost competitiveness. In the consumer telecommunications business, we worked to create a high-quality, economical network through fixed and mobile convergence.

[Enhance Competitiveness in Global Business]

- In October 2022, we moved our global business for business users within NTT DATA. To conduct business operations in a much more coordinated manner, we established NTT DATA, Inc. as an overseas operating company through the joint investment of NTT and NTT DATA. NTT DATA, Inc.'s abilities and results in providing services globally have been recognized, and the effects of sales activities through business consolidation are beginning to appear in the form of project orders received from a major household electronics manufacturer. We will continue to respond globally to diversifying and increasingly more sophisticated customer needs.

[Start of Provision of APN]

- In March 2023, as the first commercial service aimed at implementing IOWN (Innovative Optical and Wireless Network) concept, we began providing APN IOWN1.0 (All-Photonics Network), which introduces optics exclusively in all sections of the communication network.

What is APN?

In existing networks, repeated conversions of optical and electrical signals consume electricity, and control processing of communications traffic creates latency. By ultimately changing all these signals to optical signals, APN consumes less energy than current networks and realizes large-capacity networks with low latency.

[Promote B2B2X Model]

- In October 2022, NTT AgriTechnology Corporation, which possesses knowhow in next-generation facility horticulture, completed work on a cutting-edge greenhouse that was ordered through a cooperative framework with Japan's National Federation of Agricultural Cooperative Associations (JA ZEN-NOH). By improving productivity and saving labor in the agricultural industry using ICT, we will contribute to the realization of future sustainable agriculture.

[Strengthening of New Businesses]

- In December 2022, focused on the field of human capital, we established NTT Human EX Corp. as a company to support the sustainable growth of both working employees and companies by providing value in a wide range of solutions and technologies.

Enhancement of Corporate Value

The Company promoted initiatives to reduce environmental impact based on its new environment and energy vision, disaster countermeasure initiatives, and enhancement of returns to shareholders.

[New Environment and Energy Vision]

- To achieve carbon neutrality for the entire NTT Group by FY2040, we have worked to lower our own environmental burden by promoting energy saving and by expanding the introduction of renewable energy. Furthermore, to contribute to reducing the environmental burden of our customers, we provided services including a greenhouse gas emission visualization platform.

[Disaster Countermeasure Initiatives]

- In light of the increasing number of disasters that are becoming more intense, widespread, and prolonged in recent years, we have been working to harden our facilities and speed up our restoration response.

[Enhancement of Returns to Shareholders]

- We increased capital efficiency through continuous dividend increases and flexible share buybacks.

Trends of Dividends and Share Buyback Amounts

Notes: 1. NTT implemented a 100-for-one stock split of common stock with an effective date of January 4, 2009 and two-for-one stock splits of common stock with effective dates of July 1, 2015 and January 1, 2020. Figures for annual dividend per share of common stock have been adjusted to reflect these stock splits.
2. Beginning in the fiscal year ended March 31, 2019, NTT has applied IFRS, with the dividend payout ratio of the fiscal year ended March 31, 2018 also being recalculated under IFRS.

Transformation to a New Management Style

We worked on transformation of business and digital transformation, re-examination of systems and general improvements, promotion of work-in-life (health management), and open, global, and innovative business operations.

[Transformation of Business and Digital Transformation]

- To streamline operations, by transitioning systems for common tasks (finance, procurement, approval and billing) that had been built individually at each of our companies to a globally standardized system, we worked to bring the work processes of individual companies in line with common standards.

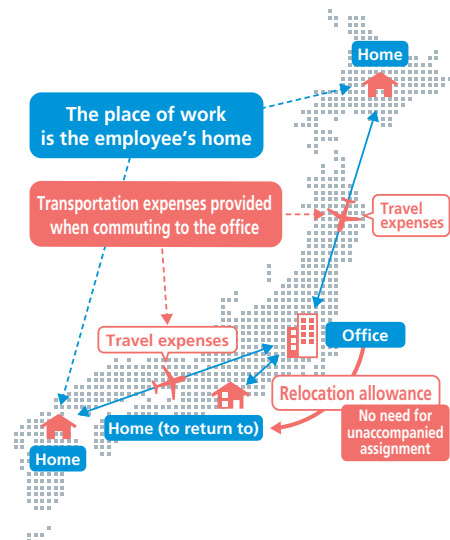

[Re-examination of Systems and General Improvements]

- To realize systems that allow each and every employee to further increase their specializations and acquire, or maximize their skills while also allowing diverse personnel in a range of fields to build their careers autonomously and create high added value, we worked to introduce a new specialization-based personnel compensation system.

[Promotion of Work-In-Life (Health Management), and Open, Global, and Innovative Business Operations]

- In July 2022, from the standpoint of increasing freedom in living places and further promoting work-in-life (health management), our major domestic Group companies introduced Remote Standard, a system that allows new workstyles based on remote work.

■ (3) Status of Research & Development, etc.

We advanced initiatives to flesh out the IOWN concept and to roll out the technology and resolve issues in a range of industries.

IOWN Concept

Amid the accelerating digital shift in social and economic activities, the use of communication networks has expanded greatly, and we are approaching the limits of data volume, latency, and power consumption. The IOWN concept breaks this barrier with revolutionary photonics technology, with the goal of creating a sustainable world.

Low power consumption

100 times
greater power efficiency*

Provides various information and communication services at power consumption reduced by a factor of 100.

* Target power efficiency for portion where photonics technology is applied

Large capacity, high quality

125 times
greater transmission capacity*

Capable of downloading 10,000 two-hour movies instantaneously (in 0.3 sec). (Compared with one movie in 3 sec with 5G technology)

* Target communication capacity per optical fiber cable

Low latency

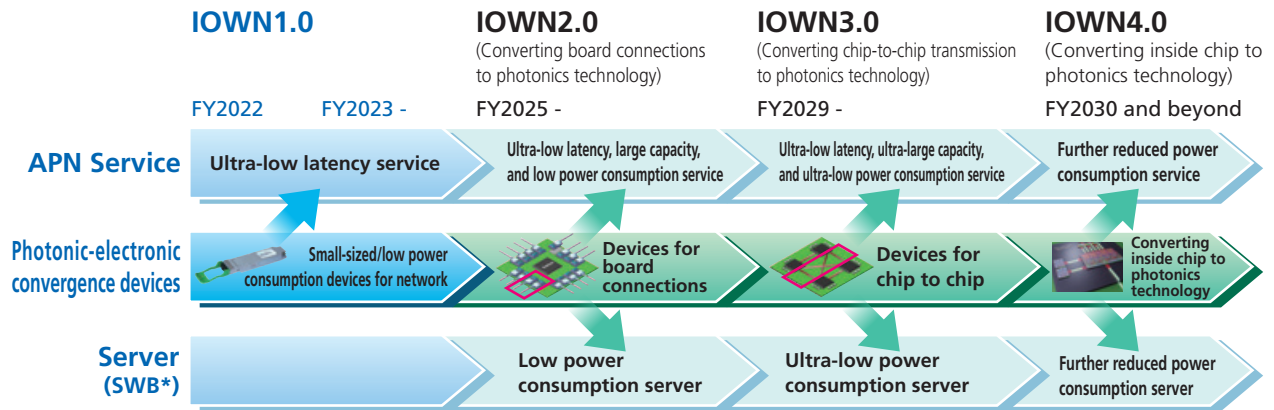

End-to-end latency reduced by
a factor of 200*

Transmits real-time video without the latency experienced with digital TV or satellite broadcasting.

* Target latency in video traffic not requiring compression within the same prefecture

Research and Development in Preparation for Making the IOWN Concept a Reality

- In addition to launching service for APN IOWN1.0 (for details on this initiative, please see (2) Business Status [Start of Provision of APN] on page 21), we publicized our plans for the upcoming rollout.
- Toward a prompt release of IOWN2.0 and later versions, we pursued the development and release of new semiconductor components and software. We will continue working to achieve our targets and promptly realize this concept.

*Super White Box

IOWN Open Innovation

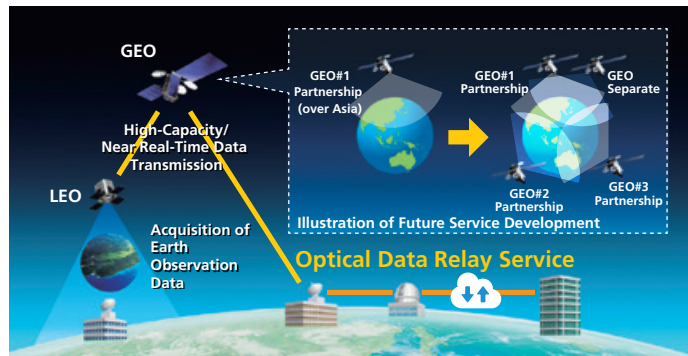

- By discussing use cases with a wide range of global companies and groups and pursuing development of the necessary technologies, frameworks, and architectures, we aim to realize IOWN as a new communication platform.
- The number of global major ICT companies, etc. that support IOWN's vision of the world and its innovations and that participate as members of the IOWN Global Forum has grown to 117 organizations (as of the end of March 2023).

Developing Technologies and Resolving Issues in Various Industries

- To resolve technological issues ahead of the rollout of the sixth-generation mobile communication system (6G), the Company and NTT DOCOMO are expanding our cooperative framework with major vendors, and have agreed with all five domestic and overseas companies to cooperate in implementing trials to realize 6G.

- We worked to realize our space integrated computing network. Space Compass Corporation, a joint venture established by NTT and SKY Perfect JSAT Corporation, launched the business, and to begin providing data transmission service from space to earth using optical communication technologies (optical data relay service), Space Compass Corporation concluded a business partnership agreement with Skyloom Global Corporation (headquarters: U.S.).

- To contribute to reducing the global environmental burden, we are researching algae that can reduce the amount of CO₂ dissolved in seawater. In our research, we have succeeded in identifying the genes that are expected to increase the amount of CO₂ absorbed by algae

We plan to use this technology in a joint venture related to the green food business, to be established under a memorandum of understanding concluded between the Company and Regional Fish Institute, Ltd. with the aim of resolving future food shortages and global environmental issues.

Integrated ICT Business

Overview

In the Integrated ICT Business, with the start of a new structure as the newly formed DOCOMO Group, we advanced initiatives to create the three major synergies of expansion of the enterprise business, more competitive network, and strengthening the power of service creation and development and promoting DX, while also promoting sales of 5G services.

Details of Main Initiatives

- In June 2022, to meet the needs of customers seeking affordable options for their main plan, we began providing “ahamo Omori” plan. In November 2022, we began making our network more energy efficient by improving the sleep function of our base stations, and in February 2023, we began providing environmentally friendly smartphones that use recycled materials.
- In July 2022, we launched the personal loan service “d Smartphone Loan,” and in September 2022, we launched the “Smart Anshin Hoshou,” which expanded the scope of coverage of our existing device protection services. Furthermore, to expand our business sectors in the smart life business, we promoted marketing solutions using big data.
- In September 2022, we launched “Anshin Manager NEXT,” a device management service that provides security measures for various lines and devices and enhances operational efficiency. Furthermore, in addition to our existing solutions in the enterprise business, we worked to provide integrated solutions combining mobile solutions and applications.

Number of Subscriptions for Major Services

- “Mobile telecommunications services”: 87.50 million subscriptions (increase of 2.74 million year-on-year)
(Included in the above) “5G contracts”: 20.60 million subscriptions (increase of 9.07 million year-on-year)

Overview

In the Regional Communications Business, in addition to strengthening our solutions business which supports the digital transformation of companies, local governments, and societies to resolve regional social issues, we offered our “Hikari Collaboration Model,” which provides wholesale fiber-optic access services, among other things, to various service providers.

Details of Main Initiatives

- In August 2022, NTT East and NTT West formed a business alliance with Shinkin Central Bank to respond in detail to the issues of regional customers and offer total support for the digital transformation of small to medium-sized enterprises nationwide, and promoted their initiative that digitally connects shinkin banks nationwide with regional small to medium-sized enterprises.
- In October 2022, NTT BUSINESS SOLUTIONS, a subsidiary of NTT West, began providing “N.mobi,” a solution that provides total support for the introduction of electric vehicles (EVs) and the optimal use of power utilizing EVs and EV batteries for regional government and enterprise customers.
- In November 2022, NTT East, Tokyo Gas Network Co., Ltd., and TEPCO Power Grid, Incorporated concluded a cooperative agreement to resolve social issues, agreeing to cooperate to continuously stabilize the infrastructure platform, enhance social value, and pursue innovation to create an abundant future.

Number of Subscriptions for Major Services

- “FLET’S Hikari”: 23.58 million subscriptions (increase of 0.31 million year-on-year)
(Included in the above) “Hikari Collaboration Model”: 16.81 million subscriptions (increase of 0.52 million year-on-year)

Global Solutions Business

NTT DATA

Overview

In the Global Solutions Business, the Group worked to extend and consistently provide a range of IT services, such as offerings of digitalization and system integration, that are responsive to the changes in the market, as well as to strengthen its ability to provide services in growth areas such as the datacenter business and managed services.

Details of Main Initiatives

- In July 2022, partnering with SAP SE (headquarters: Germany), we developed “Connected Product” as a new solution to track fragile and sensitive cargo shipments with IoT sensors and to facilitate insurance procedures. We plan to incorporate the system into business operations, extending the solution to more international insurance and logistics.
- In February 2023, in a joint project with TOYOTA MOTOR CORPORATION which was enabled by the cooperation of Mitsui Fudosan Group, we began trials using connected car data with the aim of reducing traffic congestion in a parking lot and adjacent roads of a shopping mall. To alleviate traffic congestion around the shopping mall, reduce carbon dioxide (CO₂) emissions, and increase customer satisfaction, we aim to establish a method to use connected car data to resolve traffic congestion.
- We worked to expand various services that support corporate sustainability. In June 2022, we launched a DX support service to promote ESG management. In July 2022, we launched a service to support TCFD (Task Force on Climate Related Financial Disclosures) disclosures. Finally, in August 2022, we launched “C-Turtle®,” a service to visualize emissions of greenhouse gases using data owned by the international NGO CDP.

Others (Real Estate, Energy and Others)

Overview

We provided services related to real estate business and energy business, etc.

Details of Main Initiatives

[Real Estate Business]

- Primarily through NTT Urban Solutions, Inc., a company that centralizes the functions of NTT Group's real estate business, we promoted office and retail operations, residential operations, and the global business. In June 2022, we opened a next-generation advance office building in Nagoya, and to realize future urban development, we pursued the development and trials of a digital platform using technological elements from IOWN.

[Energy Business]

- Centering on the activities of NTT Anode Energy Corporation, which promotes smart energy business, we worked to promote initiatives including the development of renewable energy power plants, expanded utilization of NTT Group's assets, and deployment of decarbonization solutions. In July 2022, to expand the smart energy business, NTT Anode Energy Corporation integrated the electric power-related operations of NTT FACILITIES, INC.

2. Issues to be Addressed

■ (1) Changes in the business environment

Spurred by the COVID-19 pandemic, a remote/decentralized society is advanced. These situations continue making progress in digitalization and Digital Transformation (DX), on the other hand, negative aspect of digitalization such as surveillance society has appeared. In addition, our environment is dramatically changing with increasing the importance of economic security and scale of natural disasters worldwide.

■ (2) Business Development Based on the NTT Group Medium-Term Management Strategy

In May 2023, we announced the NTT Group Medium-Term Management Strategy “New Value Creation & Sustainability 2027 Powered by IOWN.” Under this new strategy, we are providing new value to customers and society, and by shifting our business activities themselves toward the achievement of a sustainable society, we would like NTT’s existence to be a supporter of global sustainability. To achieve our goals, in addition to expanding our investment in growth areas and investing approximately 8.0 trillion yen in growth areas over the next five years, we will further increase our cash-generation ability for the future. Looking ahead to FY2027, we will increase cash for growth aiming to reach EBITDA of approximately 4.0 trillion yen.

Specifically, our initiatives will focus on three pillars: NTT as a Creator of New Value and Accelerator of a Global Sustainable Society; Upgrading the Customer Experience (CX); and Improving the Employee Experience (EX).

Pillars of Our Initiatives

1. NTT as a Creator of New Value and Accelerator of a Global Sustainable Society

- | | |

- ⑥ **Strengthening of Services that Emphasize Customer Experience (CX)**

3. Improving the Employee Experience (EX)

- ⑦ **Open and Innovative Corporate Culture**
- ⑧ **Support Career Growth**
- ⑨ **Global Benefits for Employees and their Families**

■ (3) Medium-Term Financial Targets

In conjunction with the announcement of the new NTT Group Medium-Term Management Strategy, we have set new financial targets.

We will strengthen initiatives focused on our cash generation abilities to achieve further sustainable growth and have set EBITDA as a key indicator, aiming for an increase of 20% to reach ¥4.0 trillion by FY2027.

Moreover, in our growth areas that will be drivers, we aim to increase EBITDA by 40% in FY2027 and overseas operating profit margin by 10% in FY2025. In our existing areas, we aim to achieve EBITDA by 10% in FY2027 while also targeting ROIC (Return On Invested Capital) of 9%.

Moreover, as sustainability-related targets, we have set targets for new female manager promotion rate, greenhouse gas emissions, and engagement rate, and we are implementing various initiatives to achieve these targets.

Medium-Term Financial Targets

Target Indicators		Target Levels (FY2027)
Company-Wide Targets	<u>E B I T D A</u>	+20% increase (compared to FY2022)
Growth Areas	<u>E B I T D A</u>	+40% (vs. FY2022)
	Overseas Operating Profit Margin	10% (FY2025)
Existing Areas	<u>E B I T D A</u>	+10% (vs. FY2022)
	ROIC (Return on invested capital)	9% (FY2022 Results: 8.2%)

In addition to the above, we are setting sustainability-related targets:

- New Female Manager Promotion Rate: at least 30% each year
- Greenhouse Gas Emissions: targeting carbon neutrality in 2040, as well as Net-Zero
- Engagement Rate: To be improved

(Notes) 1. The scope of aggregation for overseas operating profit margin is NTT DATA consolidated. Calculation excludes temporary expenses, such as M&A-related depreciation costs of intangible fixed assets.
 2. Growth areas refer to IOWN, digital/data centers, power/energy, Smart Life, real estate, AI/robots, etc.
 3. Existing areas refer to NTT DOCOMO's consumer telecommunications businesses, NTT East and NTT West.

3. Capital Investment

NTT Group made a total of ¥1,862.4 billion of capital investments (an increase of 10.4% from the previous fiscal year), focused on responding to customer demands for various services such as 5G, “FLET’S Hikari (including the Hikari Collaboration Model)” and data centers among others.

III Matters Regarding Corporate Governance

1. Fundamental Policies

We believe that strengthening the system of corporate governance in accordance with the purposes of each principle of the "Corporate Governance Code" of the Tokyo Stock Exchange is an important management issue for maximizing corporate value while meeting the expectations of various stakeholders, including shareholders and other investors, as well as customers, business partners, and employees. Therefore, we are working to strengthen corporate governance based on our fundamental policies of ensuring sound management, executing appropriate decision-making and business activities, clarifying accountability, and maintaining thorough compliance.

Corporate Governance System

As of March 31, 2023

2. Overview of Corporate Governance System

NTT believes that an auditing system based on Audit & Supervisory Board Members, including outside independent Audit & Supervisory Board Members, is an effective means of supervising management. Accordingly, we chose the company with Board of Company Auditors (Audit & Supervisory Board) model.

In addition, through the election of outside independent Members of the Board, NTT has strengthened the function of appropriately supervising the business execution.

3. Board of Directors

The Board of Directors has ten Members of the Board, including five outside independent Members of the Board, which brings the total percentage of outside Members of the Board to 50%. In addition, the introduction of an executive officer system that clearly separates the management decision-making and oversight functions from the business execution function ensures closer supervision of execution and enhanced management flexibility. In principle, the ordinary meetings of the Board of Directors are held once per month, and extraordinary meetings are held as needed. The Board of Directors discusses the group management strategies and makes decisions on matters stipulated by laws and regulations and on important matters related to company management and group management. Moreover, through such means as periodic reports from Members of the Board and Executive Officers on the status of business execution, the Board of Directors supervises the business execution of Members of the Board and Executive Officers.

Each outside independent Member of the Board has extensive experience and a high level of integrity and insight. We believe that the outside independent Members of the Board will help strengthen the supervisory function for business execution and expect to incorporate the opinion they provide from their wide-ranging managerial perspective.

With the objective of further strengthening the independence, objectivity, and accountability in decisions with respect to appointments and compensation of officers, etc. made by the Board of Directors, the Company has voluntarily established a Nomination Committee and Compensation Committee, each consisting of five Members of the Board, of which a majority (three) are outside independent Members of the Board, as preliminary review institutions of the Board of Directors, thereby increasing the effectiveness of governance.

Moreover, in recognition of the fact that response to sustainability issues is an important management challenge, the Company has voluntarily established a Sustainability Committee that reports directly to the Board of Directors. The committee will work to further promote initiatives after important issues and indicators have been decided by resolution of the Board of Directors.

[Evaluation of the Effectiveness of the Board of Directors]

The Board of Directors of the Company, which is a pure holding company, plays the role of monitoring the specific business operations of the Group companies based on the medium- to long-term business strategy of the entire Group.

The Board of Directors of the Company decides important items related to the Group's management that have passed the Executive Officers Meeting, which is made up of the Executive Officers and others, as well as the review of the various committees chaired by the President or a Senior Executive Vice President and attended by the relevant Executive Officers, while also monitoring the status of the execution of the duties of the individual Members of the Board and Executive Officers.

At meetings of the Board of Directors, based on the authority of the individual Members of the Board, current issues in group management and the initiatives being taken to resolve them are reported and reviewed, as well

as initiatives for growing the business, such as investments and partnerships. During the fiscal year under review, active discussions were held centering on important matters related to company and group management, such as realignment aimed at strengthening global business at NTT Group, and the formulation of policies to further strengthen governance under the Medium-Term Management Strategy “Your Value Partner 2025.” Furthermore, in addition to the advance explanations of agenda items to be discussed at Board of Directors meetings, explanations of matters such as issues of immediate concern and the status of considerations were also given to the outside independent Members of the Board by Representative Members of the Board. By striving to clarify the focus of execution of duties and the purpose of initiatives, we are creating an environment in which the supervisory function of the Board of Directors can be fully exercised.

Furthermore, to allow the outside independent Members of the Board to more deeply understand the Company’s business, meetings were held between the outside independent Members of the Board and Representative Members of the Board to exchange ideas and opinions on the Company’s management strategies, and they received explanations on topics such as the results of cutting-edge research and introduction of lectures using the latest ICT technologies at exhibitions of research and development where the Company is focusing its efforts. Additionally, ideas and opinions on issues in NTT Group management were exchanged among the outside independent Members of the Board, the Audit & Supervisory Board Members of the Company, and the outside independent Members of the Board of the major Group companies and other members.

At these meetings, we received evaluations on NTT’s Board of Directors from the outside independent Members of the Board and the Audit & Supervisory Board Members that adequate information is provided and Members of the Board engage in active discussions, thereby ensuring the Board’s effectiveness.

In addition, NTT implements an evaluation of the effectiveness of the Board of Directors annually for the purpose of strengthening the governance of the top management through continuous improvement of effectiveness of the Board of Directors. During the fiscal year under review also, NTT implemented an evaluation of its effectiveness as a Board of Directors, with the support of a third-party organization, getting all Members of the Board and Audit & Supervisory Board Members to complete a questionnaire survey concerning the Board of Directors. Questions were asked with regard to the role and responsibilities of the Board of Directors, its composition, its operation, and its satisfaction level. The results, which were compiled at the third-party organization, confirmed that the Board was sufficiently fulfilling its important role and responsibilities, with a majority of positive opinions for all of the questions.

In addition, as a result of holding opinion-exchange meetings to simulate strategic discussions, and enhancement of discussions on important matters related to company and group management, such as realignment aimed at strengthening global business, and important issues such as the formulation of policies to further strengthen governance, all members expressed positive opinions. Therefore, we have evaluated that the effectiveness of the Board of Directors is being ensured.

4. Audit & Supervisory Board

The Audit & Supervisory Board consists of a total of six Audit & Supervisory Board Members: two internal Audit & Supervisory Board Members and four outside independent Audit & Supervisory Board Members (including two women, one in each category). Based on the audit plan for the fiscal year under review, and with management continuing to change significantly as a result of the realignment of global business, in addition to audits in accordance with laws and regulations, Audit & Supervisory Board Members conducted audits on progress of the Medium-Term Management Strategy and the status of initiatives aimed at maintaining and improving corporate governance, thoroughness of compliance and steady provision of telecommunication services, endeavoring to conduct efficient and effective audits in cooperation with the Internal Audit Department, the Independent Auditor, and the Audit & Supervisory Board Members of Group companies. Furthermore, by exchanging opinions with Representative Members of the Board and outside independent Members of the Board, and sharing views on various topics with Representative Members of the Board and Audit & Supervisory Board Members of Group companies, including overseas subsidiaries, not only do the Audit & Supervisory Board Members gain an understanding of the status of the performance of duties by Members of the Board and Executive Officers, but they are also in a position to offer suggestions as required. During the fiscal year under review, Audit & Supervisory Board Members exchanged opinions with Representative Members of the Board and outside independent Members of the Board a total of 40 times, and held meetings to exchange opinions with Representative Members of the Board and Audit & Supervisory Board Members of Group companies a total of 65 times. In addition, the Audit & Supervisory Board Members, including outside independent Audit & Supervisory Board Members, attend important meetings, such as meetings of the Board of Directors, and conduct appropriate audits regarding the status of the business execution by Members of the Board and Executive Officers. They also take steps to strengthen audit cooperation by meeting periodically, or as required, with the Internal Audit Department, Independent Auditor, and Audit & Supervisory Board Members of Group companies, with the aim of exchanging information on a timely basis. Further, in order to advance the Group's auditing system, Audit & Supervisory Board Members have unified risk recognition based on the materiality and risk approach with the Audit & Supervisory Board Members of major Group companies, and conducted audits and on-site inspections through the Audit & Supervisory Board Members of major Group companies.

Moreover, the effectiveness of the Audit & Supervisory Board has continued to be evaluated since FY2018 for the purpose of looking back at the audit activities of the current fiscal year, reflecting such evaluation in the audit plan for the following fiscal year and improving the quality of audits. When conducting the evaluation of effectiveness for the fiscal year under review, questionnaires were given to and interviews were conducted with all Audit & Supervisory Board Members. To ensure anonymity and objective perspectives, a third-party organization was used to implement the questionnaires and interviews and to analyze the collected results. The primary items of evaluation for the fiscal year under review were as follows: the audit plan; advice to the management and audits of business execution; the Group's audit system; responses to acts in violation of rules, etc.; cooperation between the three audits (audit by the Audit & Supervisory Board, audit by the Independent Auditor, and audit by the Internal Audit Department); operation of the Audit & Supervisory Board meetings, among other matters. The analysis of the questionnaires and interviews was conducted based not only on changes over time, but also on audit conditions with respect to the realignment of global business, the steady provision of telecommunication services, and initiatives on sustainability. As a result of discussion and inspection by Audit & Supervisory Board meeting, the effectiveness of the Audit & Supervisory Board was evaluated as being secured.

NTT will continue to strengthen cooperation between the various bodies such as the Internal Audit Department, the Group companies' respective Audit & Supervisory Board Members and work to further develop the sophistication of the Group's audit system. In light of the increasing responsibility to meet social demands and the enhancement of non-financial information disclosure, we will further monitor the efforts of Members of the Board and Executive Officers and proactively provide advice to them. Also, we will work to further improve the effectiveness of the Audit & Supervisory Board by further strengthening cooperation with independent outside Members of the Board when conducting audits on executive management.

5. Nomination Committee and Compensation Committee

For the purpose of further enhancing independence, objectivity and accountability in the decisions of nominations and compensation of officers, etc. by the Board of Directors, NTT has voluntarily established the Nomination Committee and the Compensation Committee, which each consist of five Members of the Board (of which three members, a majority of committee members, are outside independent Members of the Board), as a preliminary review institution of the Board of Directors, and is increasing the effectiveness of governance. As of the end of the fiscal under review, membership of each committee consists of Akira Shimada (Representative Member of the Board, President), Takashi Hiroi (Representative Member of the Board, Senior Executive Vice President), Ken Sakamura (outside Member of the Board), Yukako Uchinaga (outside Member of the Board), and Koichiro Watanabe (outside Member of the Board), with Akira Shimada (Representative Member of the Board, President) serving as chairman of each committee. Resolutions of each committee are made by a majority of such committee's members in attendance, at meetings in which a majority of committee members are present. In the fiscal year under review, the Nomination Committee met five times and the Compensation Committee met once, engaging in active discussions on subjects such as the nomination of officers, etc., succession planning, and revising the officer compensation system.

6. Nomination of Members of the Board, Etc.

In terms of the composition of the Company's Board of Directors, the nomination of executives is based on the NTT Group Personnel Policy, and personnel with the skills to resolve issues recognized by NTT Group are nominated broadly from inside and outside of the Group. Outside Members of the Board and outside Audit & Supervisory Board Members are elected with the expectation that they can provide opinions based on a broad management perspective or as an expert. Furthermore, both non-outside and outside Members of the Board are elected in line with NTT Group's promotion of diversity.

Moreover, due to the provisions of the law of Japan (Article 10, paragraph (1) of the Act on Nippon Telegraph and Telephone Corporation, etc.), a person who does not have Japanese nationality may not become a Member of the Board or Audit & Supervisory Board Member.

NTT Group Personnel Policy

[Basic Policy]

NTT Group strives to contribute to the resolution of societal issues and the realization of a safer, more secure, and more affluent society. To accomplish this goal, the Group acts as a trusted "Your Value Partner" that customers continue to select in order to provide them with new value on a global basis. We have established the policy of positioning individuals that share these ideals in the upper ranks of NTT Group's management, and we are nominating such individuals from both inside and outside the Group.

[Nomination of Candidates for Members of the Board]

In regard to Member of the Board candidates, individuals are nominated based on the broad-ranging perspective and experience, superior management skill and leadership, business sense and motivation necessary to contribute to the overall development of NTT Group in order to facilitate the improvement in NTT Group's corporate value. The Board of Directors is of a size appropriate to the Group's business, and the composition of the Board of Directors takes into account a balance of specialties and diversity.

From the perspective of strengthening the function of supervising business execution, for outside independent Members of the Board, NTT nominates individuals who present no risk of a conflict of interest with general shareholders. In principle, NTT appoints several outside independent Members of the Board.

[Nomination of Candidates for Audit & Supervisory Board Members]

NTT has the policy of nominating candidates for Audit & Supervisory Board Members that have the capacity to provide audits based on specialized experience and insight.

From the perspective of guaranteeing fair audits of the execution of duties by Members of the Board, for outside independent Audit & Supervisory Board Members, NTT nominates individuals who present no risk of a conflict of interest with general shareholders. In accordance with the Companies Act, NTT ensures that outside Audit & Supervisory Board Members make up half or more of the Audit & Supervisory Board.

With regard to the nomination of Members of the Board, NTT has established the Nomination Committee, which consists of five Members of the Board including three outside independent Members of the Board. The committee discusses candidates and then makes proposals to be approved by the Board of Directors and presented for voting at the General Meeting of Shareholders. With regard to the nomination of candidates for Audit & Supervisory Board Members, the procedure for nomination involves Members of the Board proposing Audit & Supervisory Board Member candidates based on the nomination policy described above. These proposals are then discussed by the Audit & Supervisory Board, which consists of half or more of outside Audit & Supervisory Board Members, and consent is granted if appropriate. The candidates are then approved by the Board of Directors and presented for voting at the General Meeting of Shareholders.

[Succession Plan]

With respect to successor candidates for the CEO position, we view it as important to secure successor candidates who can respond to technological innovation, market trends, and the speed of changes in the business environment. By securing the diversity of candidates through offering experience of a broad range of jobs and appointments to important posts, we are cultivating personnel for promotion who, in addition to possessing integrity and insight, are exceptionally well-suited to the times. The decision regarding the appointment is made by the Board of Directors after it has been presented for deliberation to the Nomination Committee, a preliminary review institution of the Board of Directors, which consists of five Members of the Board including three outside independent Members of the Board.

For future management candidates, we select various people of any age, gender, or field of expertise. Through education at the NTT University, which was started as a program for developing management candidates, we target diverse people who are full of desire to lead our transformation.

[Independence of Outside Members of the Board and Outside Audit & Supervisory Board Members]

From the perspectives of strengthening the supervisory function for execution and guaranteeing appropriate audits of the execution of duties by Members of the Board, NTT has the policy of selecting individuals to serve as outside Members of the Board and outside Audit & Supervisory Board Members who do not represent risks of conflicts of interest with general shareholders. NTT designates outside Members of the Board and outside Audit & Supervisory Board Members who fulfill both the independence criteria stipulated by the Tokyo Stock Exchange and NTT's own independence standards as independent Members of the Board or independent Audit & Supervisory Board Members.

Independence Standards

In order to meet the independence criteria, a person may not fall under any of the categories below in the last three fiscal years

- (1) A person who executes business in a partner company that exceeds NTT's Standards*¹
- (2) A person who executes business in a lending company that exceeds NTT's Standards*²
- (3) A consultant, accountant, lawyer, or any other person providing professional services, who received monetary payments or any other gain in assets equal to or more than ¥10 million, excluding the Board Members' or Audit & Supervisory Board Members' compensation, from NTT or its major subsidiaries*³ in any of the last three fiscal years
- (4) A person who executes business in an organization that received donations exceeding NTT's Standards*⁴

Even if any of (1) through (4) above applies to a person, where it has been decided that a person meets the Independence Standards, the reasons shall be explained and disclosed at the time of the person's appointment as the independent Member of the Board or independent Audit & Supervisory Board Member.

*1 "A partner company that exceeds NTT's Standards" is defined as a company that has had any business dealing with NTT and its major subsidiaries*³ in any of the last three fiscal years equal to or more than 2% of the total operating revenues of NTT and its major subsidiaries for the respective fiscal year.

*2 "A lending company that exceeds NTT's Standards" is defined as a company in which the total amount of borrowings on a consolidated basis in any of the last three fiscal years equals to or is more than 2% of NTT's consolidated total assets for the respective fiscal year.

*3 The major subsidiaries are NTT DOCOMO, NTT East, NTT West, NTT Communications, and NTT DATA.

*4 "An organization that received donations exceeding NTT's Standards" is defined as an organization which received donations from NTT and its major subsidiaries*³ in any of the last three fiscal years exceeding ¥10 million or 2% of the total income of the organization, whichever is larger, during the respective fiscal year.

7. Training for Members of the Board and Audit & Supervisory Board Members

NTT Group works to cultivate candidates suitable for top management who are able to respond to the rapidly changing management environment, by creating a range of training opportunities in areas including domestic and overseas economic and social issues, compliance, and risk management, and by allowing employees to accumulate new job experiences. Additionally, outside independent Members of the Board can gain a deeper understanding of the Company's group businesses through opportunities to deepen their understanding of the business trends of NTT Group companies and of the latest R&D results at the research facilities of the Company.

8. Strategic Shareholdings

NTT does not hold shares for the purpose of creating stable shareholders, and has no plans to hold such shares in the future.

Conversely, NTT's business policy is to promote open innovation and collaboration with partners in a variety of industries with the aim of enhancing corporate value over the medium to long term. Based on this policy, the Company verifies whether an individual holding will contribute to medium- to long-term enhancements in corporate value and holds or sells shares accordingly. Among the comprehensive list of factors taken into consideration by the Investment Strategy Committee are the contribution to the medium- to long-term results of NTT, the progress of business collaborations, future considerations concerning business collaborations, trends in performance at investment targets and future business strategies of NTT. We apply the same policy to the strategic shareholdings of our Group companies, verifying every year whether individual holdings are appropriate, and taking steps to sell, etc. accordingly.

With respect to exercising voting rights of strategic shareholdings, NTT exercises voting rights acquired through share ownership, as it sees fit and appropriate and upon determining whether it is an initiative that would contribute to the improvement of medium- to long-term corporate value, from the perspective of sustainable growth of the companies NTT invests in and improving corporate value for both NTT and the companies.

9. Capital Policy

With regard to dividends, our basic policy is to steadily increase dividends, and we also flexibly carry out buybacks to improve capital efficiency.

2. Directors and Officers Liability Insurance Policy

NTT has entered into a directors and officers liability insurance policy as provided for in Article 430-3, paragraph (1) of the Companies Act with an insurance company. This insurance policy covers the insured's losses and such costs as related litigation expenses incurred from claims for damages arising from acts (including nonfeasance) carried out by the insured as an officer or a person at a certain position of the Company. However, losses and costs personally incurred by the insured due to criminal acts, such as bribery, and intentional illegal activities are not covered by the policy as a measure to ensure that the proper performance of duties by officers is not impaired.

The insureds included in this policy consist of all Members of the Board, Audit & Supervisory Board Members and Executive Officers of NTT and NTT subsidiaries NTT East and NTT West.

3. Policies Concerning, and Total Compensation, etc. of Members of the Board and Audit & Supervisory Board Members

The Board of Directors resolved at its meeting held on May 12, 2021 a new policy for determining the details of individual compensation, etc. for Members of the Board (hereinafter "Determination Policy"; this was partially amended by resolution of the Board of Directors at a meeting held on November 10, 2021). The overview of the Determination Policy is as follows.

Concerning the Determination Policy, composition and level of compensation for Members of the Board of NTT, in order to secure objectivity and transparency, NTT established the Compensation Committee, comprised of five Members of the Board, including three outside independent Members of the Board. Compensation matters are decided by the Board of Directors after deliberation by this committee. Moreover, decisions on the composition ratios and calculation methods for compensation, and individual amounts of compensation for each Member of the Board are delegated from the Board of Directors to the Compensation Committee. The reason for delegating these authorities to the Compensation Committee is that said committee is composed of two Representative Members of the Board and three outside Members of the Board, and we believe that it is able to make the appropriate judgements from an outside perspective while also taking a bird's-eye view of the Company's overall performance.

Compensation of Members of the Board (excluding outside Members of the Board) consists of a monthly salary (base salary) and a bonus (compensation related to performance over the short term), NTT stock purchase through Board Members Shareholding Association and performance-related stock compensation (compensation related to performance over the medium to long term).

The base salary is a fixed compensation paid monthly on the basis of the scope of each Member of the Board's roles and responsibilities. The bonus is paid in June each year, taking into account NTT's business results for the current fiscal year. The financial targets of the Medium-Term Management Strategy have been selected as performance indicators for bonus. This is because greater clarification of the link between Members of the Board's compensation and the Company's corporate value increases the motivation to achieve the financial targets in the Medium-Term Management Strategy. In addition, the method for calculating bonus is to convert the level of year-on-year improvement or achievement level of the plan for each financial target into a payment rate with a predetermined method for each indicator, weighting the average based on the weight of each indicator then multiplying the base salary by position. (Please refer to "Bonus Performance Indicators" on the next page.)

Also, to reflect NTT's medium- to long-term business results, Members of the Board purchase NTT shares through the Board Members Shareholding Association using the compensation for stock acquisition that is paid every month. Purchased shares are to be held by the Members of the Board throughout their terms of office.

For the performance-related stock compensation, a trust, established by NTT is used. The Members of the Board are granted points corresponding to their role in June each year and a performance-related coefficient corresponding to the level of achievement of the performance indicator is determined in June of the year following the final fiscal year of the Medium-Term Management Strategy, and the number of shares to be granted to each Member of the Board is calculated by multiplying the performance-related coefficient by the

number of points that has been accumulated. The granted shares are delivered to the Member of the Board upon retirement.

Regarding the performance indicator for performance-related stock compensation, as FY2023 is the target fiscal year for the Medium-Term Management Strategy announced in November 2018, we continue to use earnings per share (EPS).

The composition ratio of compensation in a case where standard business results are achieved is roughly as follows: Fixed compensation: Short-term performance-related compensation: Medium- to long-term performance-related compensation = 50%: 30%: 20%.

In order to maintain a high level of independence, compensation of outside Members of the Board consists of a monthly fixed compensation only, and is not linked to NTT's business results.

Note that an overview of the policy for determining the details of individual compensation, etc. of Members of the Board is as provided above, and when determining the details of the individual compensation, etc. of Members of the Board, the Compensation Committee considers matters from various angles, including consistency with the Determination Policy, so, the Board of Directors respects its judgment, and the details of the individual compensation, etc. of Members of the Board for the fiscal year under review are judged to be in line with the Determination Policy.

Compensation of Audit & Supervisory Board Members is determined by resolution of the Audit & Supervisory Board and consists of a base salary only, for the same reasons as those cited above with respect to outside Members of the Board.

The membership of the Compensation Committee delegated by the Board of Directors to determine the details of individual compensation, etc. of Members of the Board for the fiscal year under review consists of Akira Shimada (Representative Member of the Board, President), Takashi Hiroi (Representative Member of the Board, Senior Executive Vice President), Ken Sakamura (outside Member of the Board), Yukako Uchinaga (outside Member of the Board), and Koichiro Watanabe (outside Member of the Board).

Bonus Performance Indicators

Financial targets of the Medium-Term Management Strategy and other measures are set as performance indicators and the level of year-on-year improvement or achievement level of the plan are evaluated.

Category	Performance Indicators	Evaluation Weighting	Evaluation Method	FY2021 Results	FY2022 Results
Financial indicators	EPS (earnings per share)	35%	YoY improvement	¥329	¥348

Category	Performance Indicators	Evaluation Weighting	Evaluation Method	FY2022 Targets	FY2022 Results
Financial indicators	Operating profit	35%	Achievement level of plan	¥1,820.0 billion	¥1,829.0 billion
	Overseas operating profit margin	10%		7.0%	7.2%
	ROIC (return on invested capital)	5%		7.6%	7.4%
Sustainability indicators	Greenhouse gas emissions	5%		3.075 million tons or less	2.464 million tons
	B2B2X revenues	5%		¥600.0 billion	¥815.4 billion
	New female manager promotion rate	5%		30%	29.7%

Notes: 1. The scope of aggregation for overseas operating profit margin is the subsidiaries (NTT DATA International Business, NTT Ltd., NTT Communications International Business, etc.) belonging to NTT when the Medium-Term Management Strategy was established. Calculation excludes temporary expenses, such as M&A-related depreciation costs of intangible fixed assets.

2. Greenhouse gas emission figures are preliminary figures. The figures are for GHG protocol Scope 1 + 2.

3. The scope of aggregation for B2B2X revenues is the Integrated ICT Business Segment, the Regional Communications Business Segment, and the Global Solutions Business Segment.

4. The scope of aggregation for new female manager promotion rate is six major domestic Group companies (NTT, NTT DOCOMO, NTT Communications, NTT East, NTT West, and NTT DATA).

For the bonus performance indicators in FY2023, in the financial indicators, we plan to add EBITDA in order to put a greater focus on growth (expansion of cash-generation abilities) under our new Medium-Term Management Strategy, and in sustainability indicators, we plan to add engagement rate with a view to creating an environment that enables employees, who are the drivers of our profit generation, to enhance their specializations, feel a sense of growth, and gain satisfaction from their work.

Category	Performance Indicators	Evaluation Weighting	Evaluation Method
Financial indicators	EBITDA	25%	YoY improvement
	EPS (earnings per share)	10%	
Sustainability indicators	Engagement rate	2.5%	

Category	Performance Indicators	Evaluation Weighting	Evaluation Method
Financial indicators	EBITDA	25%	Achievement level of plan
	Operating profit	10%	
	Overseas operating profit margin	10%	
	ROIC (return on invested capital) in existing areas	5%	
Sustainability indicators	Greenhouse gas emissions	5%	
	New female manager promotion rate	5%	
	B2B2X revenues	2.5%	

- Notes: 1. The scope of aggregation for engagement rate is approximately 100 domestic Group companies (in the future, we plan to expand the scope to include overseas Group companies).
2. The scope of aggregation for overseas operating profit margin is NTT DATA consolidated. Calculation excludes temporary expenses, such as M&A-related amortization of intangible fixed assets.
3. Existing areas refer to NTT DOCOMO's consumer telecommunications businesses, NTT East and NTT West.
4. GHG emissions are for GHG protocol Scope 1 + 2.
5. The scope of aggregation for new female manager promotion rate is six major domestic Group companies (NTT, NTT DOCOMO, NTT Communications, NTT East, NTT West, and NTT DATA).
6. The scope of aggregation for B2B2X revenues is the Integrated ICT Business Segment, the Regional Communications Business Segment, and the Global Solutions Business Segment.

Auditor's Report on Consolidated Financial Statements

Independent Auditor's Report

To the Board of Directors of Nippon Telegraph and Telephone Corporation:

Opinion

We have audited the consolidated financial statements, which comprise the consolidated statement of financial position, the consolidated statement of profit or loss, the consolidated statement of changes in equity and the related notes to the consolidated financial statements of Nippon Telegraph and Telephone Corporation ("the Company") and its consolidated subsidiaries (collectively referred to as "the Group"), as at March 31, 2023 and for the year from April 1, 2022 to March 31, 2023 in accordance with Article 444-4 of the Companies Act.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position and the results of operations of the Group for the period, for which the consolidated financial statements were prepared, in accordance with the latter part of Article 120-1 of the Ordinance of Companies Accounting that prescribes some omissions of disclosure items required by International Financial Reporting Standards.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Japan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The other information comprises the business report and its supplementary schedules. Management is responsible for the preparation and presentation of the other information. Audit and supervisory board members and the audit and supervisory board are responsible for overseeing the directors' performance of their duties with regard to the design, implementation and maintenance of the reporting process for the other information.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management, Audit and Supervisory Board Members and Audit and Supervisory Board for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the latter part of Article 120-1 of the Ordinance of Companies Accounting that prescribes some omissions of disclosure items required by International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern in accordance with the latter part of Article 120-1 of the Ordinance of Companies Accounting that prescribes some omissions of disclosure items required by International Financial Reporting Standards.

Audit and supervisory board members and the audit and supervisory board are responsible for overseeing the directors' performance of their duties with regard to the design, implementation and maintenance of the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of our audit in accordance with auditing standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, while the objective of the audit is not to express an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate whether the presentation and disclosures in the consolidated financial statements are in accordance with the latter part of Article 120-1 of the Ordinance of Companies Accounting that prescribes some omissions of disclosure items required by International Financial Reporting Standards, the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with audit and supervisory board members and the audit and supervisory board regarding, among other matters, the planned scope and timing of the audit, significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide audit and supervisory board members and the audit and supervisory board with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Interest required to be disclosed by the Certified Public Accountants Act of Japan

Our firm and its designated engagement partners do not have any interest in the Group which are required to be disclosed pursuant to the provisions of the Certified Public Accountants Act of Japan.

To the Board of Directors of Nippon Telegraph and Telephone Corporation:

Opinion

We have audited the financial statements, which comprise the non-consolidated balance sheet, the non-consolidated statement of income, the non-consolidated statement of changes in shareholders' equity and other net assets and the related notes to the non-consolidated financial statements, and the accompanying supplementary schedules ("the financial statements and the accompanying supplementary schedules") of Nippon Telegraph and Telephone Corporation ("the Company") as at March 31, 2023 and for the year from April 1, 2022 to March 31, 2023 in accordance with Article 436-2-1 of the Companies Act.

In our opinion, the financial statements and the accompanying supplementary schedules referred to above present fairly, in all material respects, the financial position and the results of operations of the Company for the period, for which the financial statements and the accompanying supplementary schedules were prepared, in accordance with accounting principles generally accepted in Japan.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements and the Accompanying Supplementary Schedules* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Japan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The other information comprises the business report and its supplementary schedules. Management is responsible for the preparation and presentation of the other information. Audit and supervisory board members and the audit and supervisory board are responsible for overseeing the directors' performance of their duties with regard to the design, implementation and maintenance of the reporting process for the other information.

Our opinion on the financial statements and the accompanying supplementary schedules does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements and the accompanying supplementary schedules, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the accompanying supplementary schedules or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Audit and Supervisory Board Members and Audit and Supervisory Board for the Financial Statements and the Accompanying Supplementary Schedules

Management is responsible for the preparation and fair presentation of the financial statements and the accompanying supplementary schedules in accordance with accounting principles generally accepted in Japan, and for such internal control as management determines is necessary to enable the preparation of financial statements and the accompanying supplementary schedules that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements and the accompanying supplementary schedules, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern in accordance with accounting principles generally accepted in Japan.

Audit and supervisory board members and the audit and supervisory board are responsible for overseeing the directors' performance of their duties with regard to the design, implementation and maintenance of the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements and the Accompanying Supplementary Schedules

Our objectives are to obtain reasonable assurance about whether the financial statements and the accompanying supplementary schedules as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements and the accompanying supplementary schedules.

As part of our audit in accordance with auditing standards generally accepted in Japan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements and the accompanying supplementary schedules, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, while the objective of the audit is not to express an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements and the accompanying supplementary schedules or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate whether the presentation and disclosures in the financial statements and the accompanying supplementary schedules are in accordance with accounting standards generally accepted in Japan, the overall presentation, structure and content of the financial statements and the accompanying supplementary schedules, including the disclosures, and whether the financial statements and the accompanying supplementary schedules represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with audit and supervisory board members and the audit and supervisory board regarding, among other matters, the planned scope and timing of the audit, significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide audit and supervisory board members and the audit and supervisory board with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Interest required to be disclosed by the Certified Public Accountants Act of Japan

Our firm and its designated engagement partners do not have any interest in the Company which are required to be disclosed pursuant to the provisions of the Certified Public Accountants Act of Japan.

Audit & Supervisory Board's Report

AUDIT & SUPERVISORY BOARD'S REPORT

Based on reports from each Audit & Supervisory Board Member, and following due discussion at meetings, the Audit & Supervisory Board has prepared this report regarding the execution of the duties of the Members of the Board in the 38th fiscal year from April 1, 2022 to March 31, 2023. The Board reports as follows:

1. Outline of Audit Methodology

- (1) The Audit & Supervisory Board established auditing policies and received reports from each Audit & Supervisory Board Member on the status of the implementation of audits and the results thereof, as well as reports regarding the status of execution of duties from the Members of the Board and other persons and the Independent Auditors, and requested explanations as necessary.
- (2) On the basis of the Audit & Supervisory Board Rules, and in accordance with its auditing policies, the Audit & Supervisory Board Members sought mutual understanding with Members of the Board, the Internal Audit Department and employees and other persons in their efforts to collect information and achieve an environment conducive to audits, and conducted the audits based on the methods described below.
 - I. The Audit & Supervisory Board Members attended meetings of the Board of Directors and other important meetings, and received reports from Members of the Board, employees and other persons regarding performance of their duties, requested explanations as necessary, perused important statements regarding decisions and approvals made and investigated the status of operations and assets at the head office and R&D laboratories. Regarding the subsidiaries, the Audit & Supervisory Board sought to achieve a mutual understanding and exchange of information with Members of the Board and Audit & Supervisory Board Members and other persons of the subsidiaries, and where necessary received business reports from the subsidiaries.
 - II. With respect to the particulars of Board of Directors resolutions relating to establishment of structures as set forth in Article 100 (1) and (3) of the Ordinance for Enforcement of the Companies Act, necessary to ensure that Board Members' performance of their duties, as stated in the Business Report, is in conformity with laws and regulations and their company's Articles of Incorporation and to otherwise ensure the appropriateness of the business of a corporate group consisting of a kabushiki kaisha and its subsidiaries, as well as the structures established pursuant to such resolutions (internal control systems), the Audit & Supervisory Board Members received reports regularly from Members of the Board and other employees regarding the status of the establishment and implementation of the systems, requested explanations as necessary, and expressed opinions thereon.
 - III. The Audit & Supervisory Board Members audited and verified whether the Independent Auditor maintained its independence and carried out its audits appropriately, received reports from the Independent Auditor regarding the execution of its duties and, where necessary, requested explanations. Also, the Audit & Supervisory Board received notification from the Independent Auditors to the effect that the "structure to ensure that duties are executed appropriately" (the matters listed in Article 131 of the Regulation on Corporate Accounting) has been established in accordance with "Quality Control Standards for Auditing" (Business Accounting Council, October 28, 2005) and, where necessary, requested explanations.

Based on the above methodology, the Audit & Supervisory Board audited the Business Report and related supplementary schedules, the non-consolidated financial statements (non-consolidated balance sheet, non-consolidated statement of income, non-consolidated statement of changes in shareholders' equity and other net assets, notes to non-consolidated financial statements) and related supplementary schedules, as well as the consolidated financial statements (consolidated statement of financial position, consolidated statement of profit or loss, consolidated statement of changes in equity and notes to consolidated financial statements) related to the fiscal year under review.

2. Audit Results

- (1) Results of the audit of the Business Report
 - I. We find that the Business Report and its supplementary schedules accurately reflect the conditions of the company in accordance with applicable laws and the Articles of Incorporation.
 - II. No inappropriate conduct concerning the execution of duties by Members of the Board or material facts in violation of law or the Articles of Incorporation were found.
 - III. We find that the particulars of Board of Directors' resolutions concerning the internal control systems are appropriate.
Further, no matters worthy of note were found with respect to the content of the Business Report and Board Members' execution of duties in regards to the internal control systems.
- (2) Results of the audit of the non-consolidated financial statements and supplementary schedules
We find that the methodology and results of the audit by the Independent Auditor, KPMG AZSA LLC, are appropriate.
- (3) Results of the audit of the consolidated financial statements
We find that the methodology and results of the audits conducted by the Independent Auditor, KPMG AZSA LLC, are appropriate.
