Effective date	June 9, 2023	—	June 10, 2022
Source of payment	Retained earnings	—	Retained earnings

2. Reasons

Profit distributions are based on Asteria's basic policy of actively returning profits to shareholders in line with earnings, while at the same time ensuring a sufficient level of retained earnings due to its awareness of the importance of strengthening profit growth and the financial structure which drives that growth.

In accordance with this policy, and with the company's performance and financial conditions shown in the financial summary for the consolidated results for the fiscal year ended March 31, 2023, that was released today taken into account, Asteria has decided to pay 4.50 yen per share, the same level as disclosed on April 14, 2023, in "Notice Regarding Revisions to Year-end Dividend Forecasts for the Year Ending March 2023".
