Notice Concerning Acquisition of Certification for Comprehensive Assessment System for Built Environment Efficiency (“CASBEE”) for Real Estate (Ehime Building/Hiroshima)

MIRAI Corporation (hereinafter “MIRAI”) announces that it has acquired Certification for Comprehensive Assessment System for Built Environment Efficiency (hereinafter “CASBEE”) for Real Estate for Ehime Building/Hiroshima that it owns.

1. Overview of CASBEE Certification

CASBEE is a system for evaluating buildings’ environmental performance developed under the leadership of the Ministry of Land, Infrastructure, Transport and Tourism. Under the system, the environment quality/performance of a building per se and environmental loads on the exterior of a building are comprehensively evaluated. CASBEE for Real Estate covers existing buildings that have been completed for at least one year and evaluates the overall environmental performance of buildings in four levels (from five stars “★★★★★” (“S”) to two stars “★★” (“B”)). For details of CASBEE Certification, please refer to the following website.

2. Assessment Rank of Certification for CASBEE for Real Estate

Property Name	Address	Exterior View	Assessed Rank
Ehime Building/Hiroshima	Hiroshima-shi, Hiroshima		 A Rank

3. MIRAI's approach to ESG

MIRAI believes that it is essential to tackle Environment, Society and Governance initiatives so as to realize sustainable society and that those initiatives will lead to mid-to long-term improvement of unitholder value, based on our philosophy that "MIRAI creates the future of the world".

In terms of "Environment", MIRAI plans to increase the proportion of assets with environmental certifications in its portfolio and continuously disclose our environmental performance results. After CASBEE Certification for Ehime Building/Hiroshima, the proportion of assets with environmental certification as of today is 76.0%.
