Reference Documents for the General Meeting of Shareholders

Proposals and References

Proposal 1: Reduction in the Amount of Share Capital

1. Reason for Reducing the Amount of Share Capital

As part of our management strategy to achieve sustainable growth in corporate value, and for the purpose of ensuring flexibility and mobility in future capital policies while maintaining financial soundness through a tax system appropriate for the scale of our business, we have decided to reduce the amount of share capital in accordance with the provisions of Article 447, paragraph 1 of the Companies Act.

It will be a transfer between accounts in “net assets”: we will transfer the amount of reduction in share capital to “other capital surplus.” There will hence be no change in net assets of the Company. There will be no change in the total number of shares, either. Therefore, there will be no change in net assets per share and the number of shares owned by each shareholder.

2. Details of Reduction in the Amount of Share Capital

(1) Amount of Reduction in Share Capital

We propose to reduce the share capital totaling 7,877,955,028 yen by 7,867,955,028 yen, transfer all of the amount of reduction to other capital surplus and leave the amount of share capital after the reduction at 10,000,000 yen.

(2) Effective Date of Reduction in Share Capital

June 30, 2023 (provisional)

Proposal 2: Reduction in the Amount of Legal Capital Surplus

1. Reason for Reducing the Amount of Legal Capital Surplus

As part of our management strategy to achieve sustainable growth in corporate value, and for the purpose of ensuring flexibility and mobility in future capital policies while maintaining financial soundness through a tax system appropriate for the scale of our business, we have decided to reduce the amount of legal capital surplus in accordance with the provisions of Article 448, paragraph 1 of the Companies Act.

It will be a transfer between accounts in “net assets”: we will transfer the amount of reduction in legal capital surplus to “other capital surplus.” There will hence be no change in net assets of the Company. There will be no change in the total number of shares, either. Therefore, there will be no change in net assets per share and the number of shares owned by each shareholder.

2. Details of Reduction in the Amount of Legal Capital surplus

(1) Amount of Reduction in Legal Capital Surplus

We propose to reduce the legal capital surplus totaling 697,517,242 yen by 687,517,242 yen, transfer all of the amount of reduction to other capital surplus and leave the amount of legal capital surplus after the reduction at 10,000,000 yen.

(2) Effective Date of Reduction in Legal Capital Surplus

June 30, 2023 (provisional)

Proposal 3: Election of 2 Directors (excluding Directors who are Audit and Supervisory Committee Members)

The terms of office of all Directors (3 persons) (excluding Directors who are Audit and Supervisory Committee Members; hereinafter, the same applies in this proposal) will expire at the conclusion of this General Meeting of Shareholders. Accordingly, we propose the election of 2 Directors.

Furthermore, the Audit and Supervisory Committee has considered this proposal, and expressed its view to the effect that it has no particular objection.

If this Proposal and Proposal 4 are approved as originally proposed, the Company's Board of Directors will have 6 Directors (6 males and 0 female), including 3 Internal Directors and 3 Outside Directors.

The candidates are as follows:

No.	Name (Date of birth)	Past experience, positions and responsibilities at the Company (Significant concurrent positions)	Number of shares of the Company held
