Notice of the First Issuance of the Integrated Report 2023

We hereby announces that we have issued the first integrated report entitled “Integrated Report 2023” on July 19, 2023.

This integrated report summarizes the message from the CEO, our value creation, strategies by sector, initiatives for sustainability, etc. for all stakeholders including shareholders and investors, and comprehensively puts together financial and non-financial information. It was published for the purpose of deepening stakeholders’ understanding of our company.

You can browse the “Integrated Report 2023” from the following website of our company.
