## **JDI to Participate in Display Innovation China 2023**

JDI will participate in Display Innovation China 2023, one of the largest events in China related to cutting-edge displays, to be held at the Shanghai New International Expo Center (Pudong) in Shanghai, China from August 29, 2023 (Tuesday), where we will exhibit our products and give a technical presentation at the forum.

At the booth, JDI will exhibit technologies and products representing the six growth drivers of METAGROWTH 2026 growth strategy including the next-generation OLED eLEAP.
