Robo-NISA contributes to AuM growth

Number of “Robo-NISA” users
Quarterly; thousands

AuM per user^{1,2}
JPY million; Jun. 2023

¹ AuM per user is calculated as follows. For overall average, dividing total AuM by the number of users. For average of Robo-NISA users, dividing total AuM of Robo-NISA users, a sum of regular account and NISA account, by the number of “Robo-NISA” users

² Excluding users with AuM of 1 billion yen and above

Favorable performance – positive to AuM growth

Portfolio performance by risk tolerance level

USD-denominated; after fee

JPY-denominated; after fee

¹ Shows the annualized return of level 5, which 44% of users choose as of June 30, 2023

Notes: The investment performance is calculated by normalizing investment return of each wealth management plan setting the service launch date (January 19, 2016) to 100. In the performance calculation, the annual fee of 1% (1.1% including tax) of asset under management excluding cash is deducted from the daily return. Note that cash ratio is assumed to be 2%. No additional investment is assumed. Dividends are assumed to be reinvested on the ex-dividend date. Rebalancing is assumed to be carried out every six months. No consideration for taxes on dividends and capital gains from rebalancing.

Operating profit margin
Quarterly; %

Cost structure improved while investing for growth

- Revenue sharing: improved due to the end of business alliances with two SBI companies
- Transaction-linked expenses: unchanged
- Personnel expenses: increased with new hires for business expansion
- Real estate related expenses: increased primarily because of recruitment expenses
- Advertising expenses: remained at a high level, but efficiency improved in 2Q

Operating revenue ratio

1 "Transaction-related expenses" include account opening expenses, deposit/recurring/withdrawal fees, etc.

2 "Real estate related expenses, etc." includes real estate related expenses, server expenses, other sales and administration expenses, etc.

Recruiting across functions to accelerate growth

- Continued to strengthen the recruitment of engineers & designers to accelerate initiatives for New NISA as well as to develop new businesses

				<p>{ JPY 18M in total }</p>		
Maximum period of tax exemption	<ul style="list-style-type: none"> 10 years 		<ul style="list-style-type: none"> 20 years 	<p>{ Permanent }</p>		

Note: “NISA” stands for the “Nippon Individual Savings Account,” a tax exemption program for small investments

New “Robo-NISA” will provide enhanced benefits

Key benefits of New “Robo-NISA”

1

Full alignment with New NISA

Manage both “installment allowance” and “growth allowance” within a New NISA account automatically¹

2

Reduce risk with optimal asset allocation

Build a globally diversified portfolio with NISA and taxable accounts managed holistically and automatically

3

Help users engage in long-term investment

Support long-term investment leveraging NISA’s benefits through seminars and regular columns. Also provide 1-on-1 online support

New Robo-NISA will be launched in January 2024

¹ Users need to sign up for automated deposit plan to invest in “installment allowance,” or all investment is to be allocated in “growth allowance”

Build a globally diversified portfolio with NISA and taxable accounts managed holistically

Manage a globally diversified portfolio holistically

Lower fee level to promote New “Robo-NISA”

Management fee of New NISA with automated deposits

By risk tolerance level; annual; excludes consumption tax

xx% Management fees

Management fees

Allocation of automated deposits

Installment allowance

U.S. equities

Growth allowance

All asset classes including U.S. equities

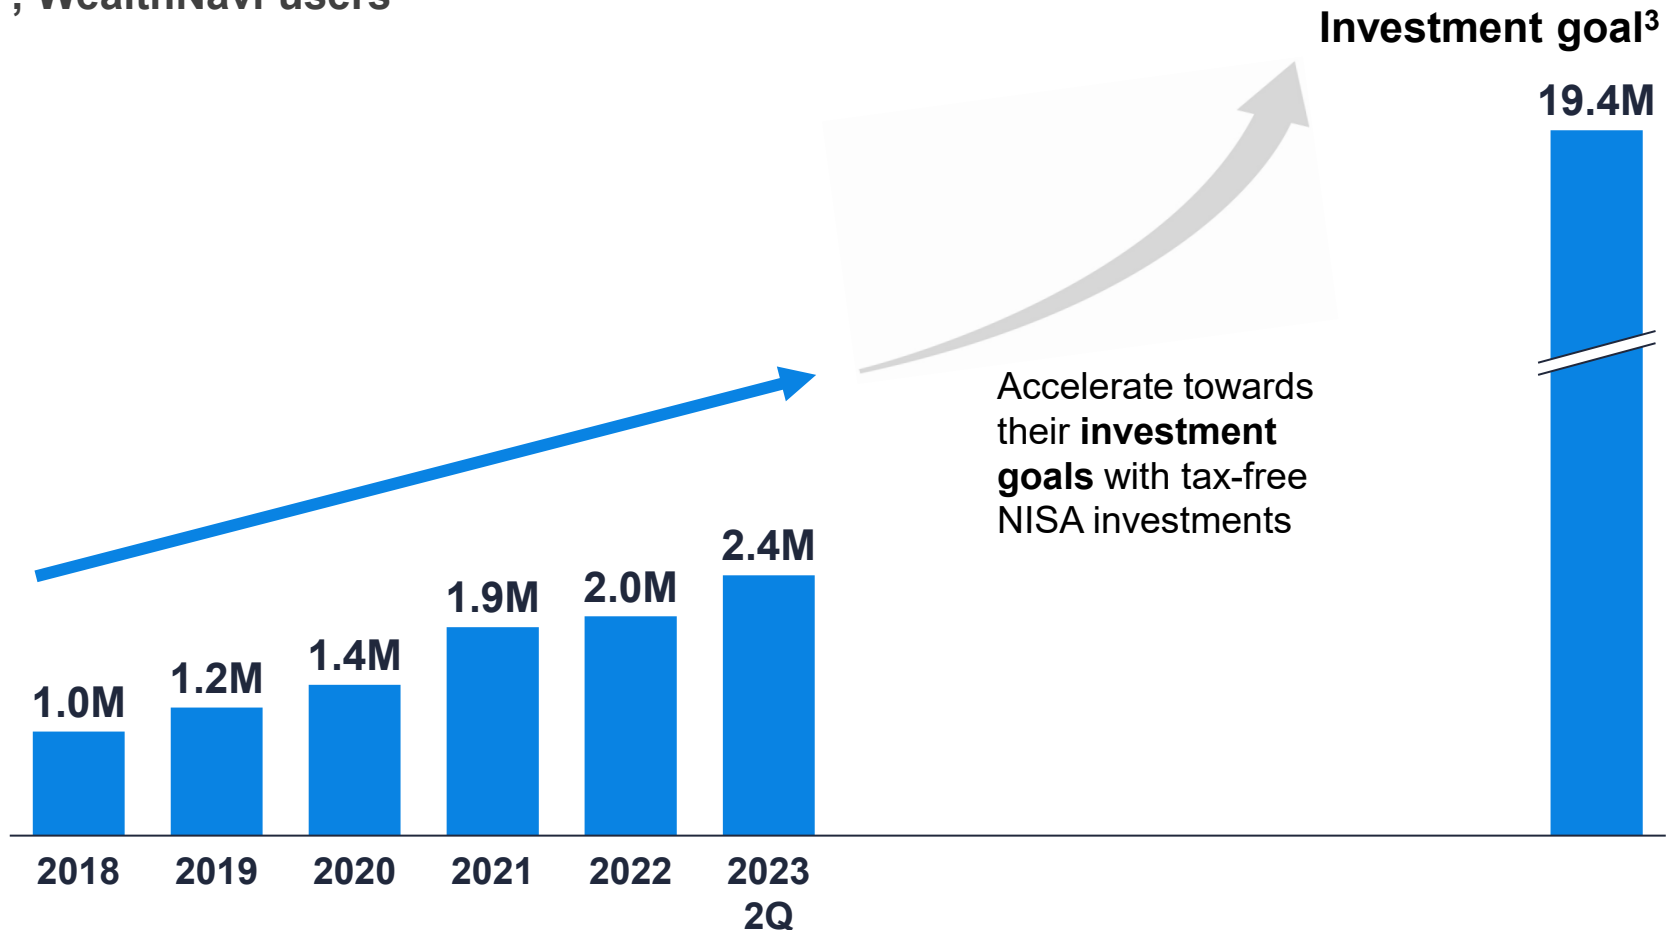

Note: Management fees of “Growth allowance” for risk tolerance level 3, 2, and 1 will be lowered to 0.9%, 0.8% and 0.7% respectively

1 The annual fee of the portion exceeding JPY 30 million is 0.5%

2 Assumes that investment will be made only through automated deposits and that the AuM weights of “installment allowance” and “growth allowance” remain unchanged

By leveraging a tax-free account, WealthNavi users can accelerate their wealth building

Average AuM and investment goal^{1,2}
JPY; WealthNavi users

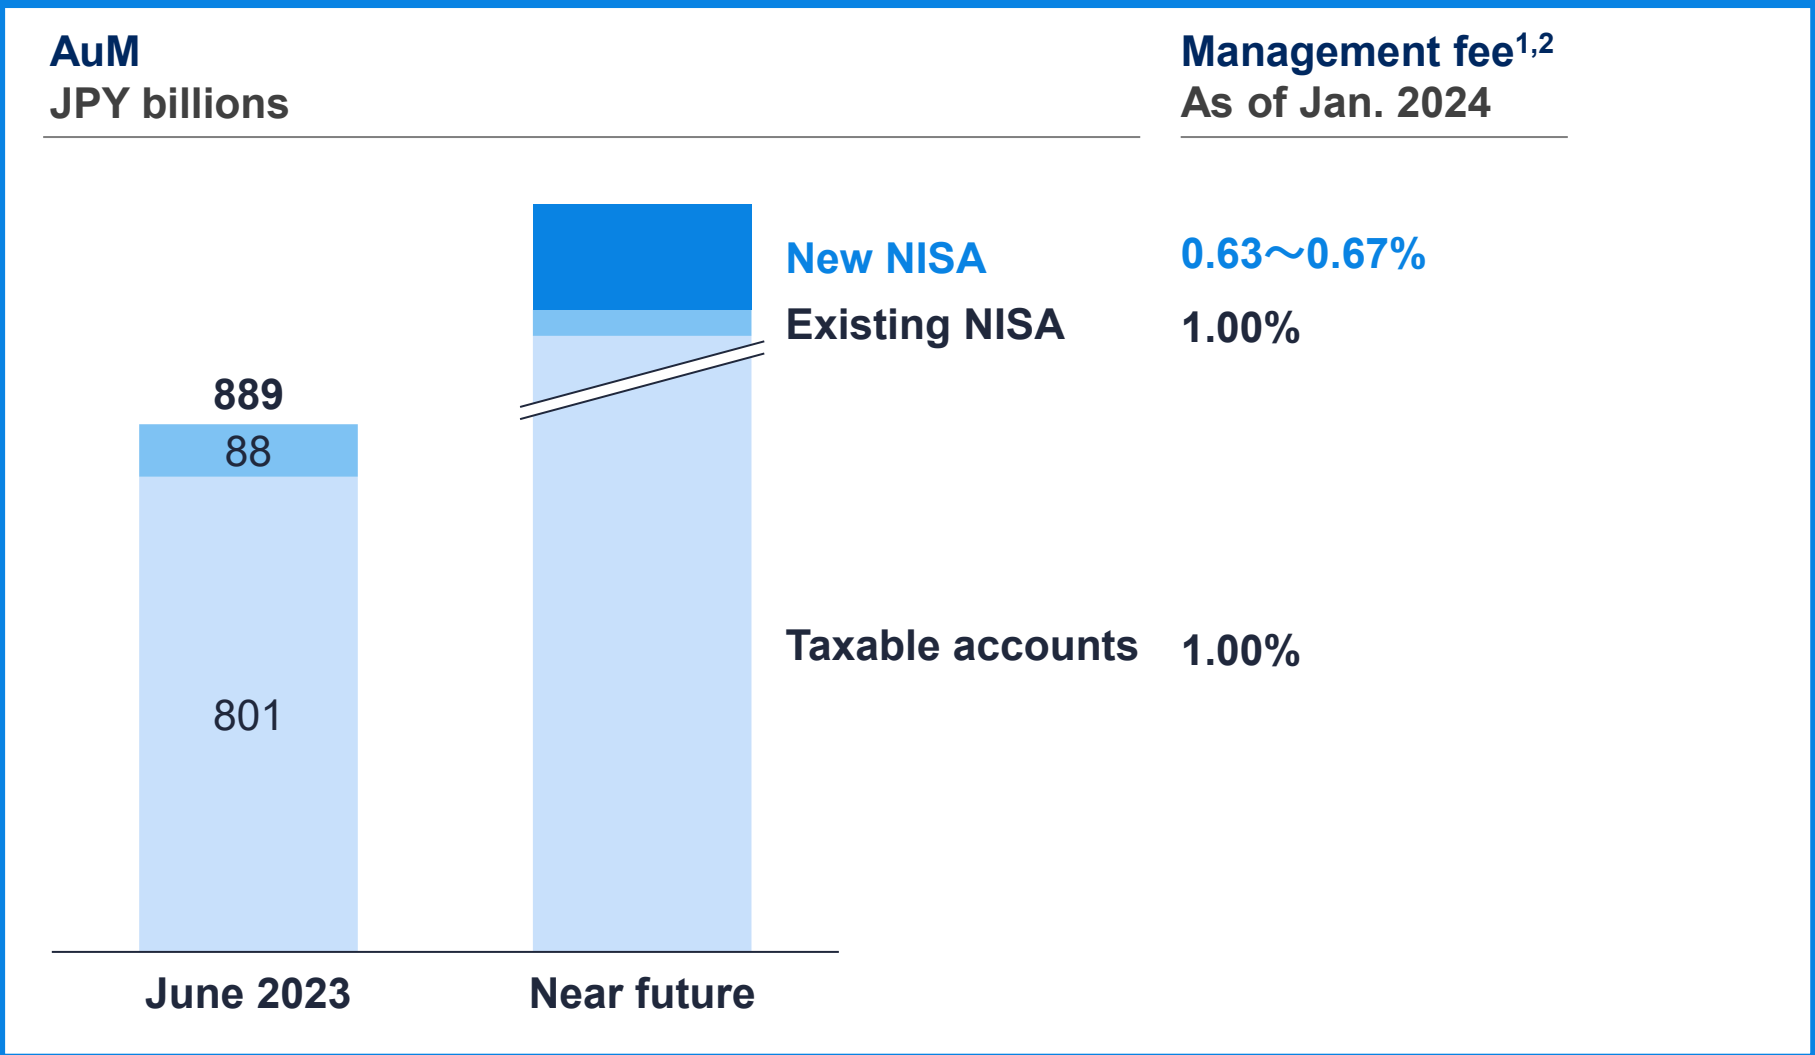

1 As of end of each year

2 Excluding users with AuM of 1 billion yen and above

AuM growth in New NISA and taxable accounts is expected to accelerate our topline growth

1 Assumes that investment will be made only through automated deposits and that the AuM weights of "installment allowance" and "growth allowance" remain unchanged
 2 Annual management fee excluding consumption tax of the direct channel. The annual fee of the portion exceeding JPY 30 million is 0.5% (0.55% including tax)

Agenda

2Q 2023 business highlights

2Q 2023 financial highlights

Overview of New “Robo-NISA” to be launched in Jan. 2024

Forecast for full-year 2023

Appendices

No change in earnings forecast for 2023

- Our goal is to maximize mid/long-term free cash flow. To this end, we continue to invest proactively to fully realize our growth potential
- Our top priority for 2023 is to upgrade Robo-NISA to align with New NISA, which will start in January 2024
- We keep the full-year earnings forecast unchanged. Although we reached JPY900 billion in AuM as of July 4, the year-end market value AuM is hard to predict. In addition, we plan to accelerate marketing activities for New NISA, which may affect the earnings

		<u>Actual</u> 2023 1-2Q	<u>Forecast</u> 2023 full-year	<u>Actual</u> 2022 full-year
Operating revenue		JPY 3,710 million Progress: 48%	JPY 7,717 million YoY: +17%	JPY 6,573 million YoY: +41%

Management team

Directors

Name

Founder and CEO
**Kazuhisa
Shibayama**

Background

After working at the Ministry of Finance and McKinsey & Company Inc., Kazuhisa established WealthNavi Inc. in April 2015. He received an LL.B. from the University of Tokyo, LL.M. from Harvard Law School, and an M.B.A. with distinction from INSEAD, and is a member of the New York Bar.

Director, CFO
**Gaku
Hirose**

Gaku joined WealthNavi in 2019 after engaging in financing and M&A advisory at Deutsche Securities, Social App Trifort as Director and CFO, and Credit Suisse Securities. He received M.B.A. from Waseda University.

**Sumito
Togo**

After working at McKinsey & Company Inc. Japan and Google, Sumito joined free Co., Ltd. in 2013, where he served as Director and COO, Director and CFO, and then as Director and CPO since October 2022. He graduated from the Graduate School of Engineering, the University of Tokyo.

**Maki
Ogawa**

Maki is a Chief Analyst, Executive Officer and General Manager at the Financial Market Research Department of Sony Financial Holdings (currently Sony Financial Group), after working at First National Bank of Chicago, J.P. Morgan, and Citibank (currently SMBC Trust Bank).

**Akira
Enomoto¹**

Akira worked in various positions including ALM Director Tokai Bank (currently MUFG Bank). Since 2002, served as Executive Officer and Head of Market Sales Department, and then Deputy Company Manager of International & Market Department. He then served as a full-time auditor of the Bank from 2006 to 2010. He graduated from the Faculty of Economics, Kyoto University.

**Eriko
Matsuno²**

After working at Morgan Stanley Japan Securities, she became a member of the Japanese Bar in 2000 and joined Nagashima Ohno & Tsunematsu Law Offices. She has been an independent practitioner since 2010. Currently, Eriko also serves as an ADR mediator at FINMAC. She graduated from the Faculty of Law, the University of Tokyo.

**Sachihiko
Fujimoto²**

After working for the Tokai Bank (currently MUFG Bank), he joined Chuo Shinko Audit Corporation and Chuo Coopers & Lybrand International Tax Office (currently PwC Tax Japan) where he served as Partner and Director of the Finance Department. He is a CPA and Tax Accountant and holds a Master's degree in International Business Administration. He graduated from the Faculty of Law, Kyoto University.

2 Only for users of "Hokkoku Omakase Navi"

3 Only for users of "WealthNavi" (Direct channel) and part of alliance channels

4 Only for users of "WealthNavi for AEON Card" and "WealthNavi for AEON Bank"

“Robo-NISA,” the first managed NISA account in Japan,¹ was launched on Feb. 17, 2021

WealthNaviがNISAに対応!

おまかせ NISA

2021年2月17日よりスタート

※画面はイメージです

¹ WealthNavi analysis on February 12, 2021, based on websites of the companies listed as “wrap account” managers on Japan Investment Advisers Association, “Contract Asset Status, September 2020”. “NISA” stands for “Nippon Individual Savings Account,” a tax exemption program for small investments

“Robo-NISA” is a tax-free managed account powered by WealthNavi

Three benefits of “Robo-NISA”

Tax-free

Invest up to JPY
1.2M per year free of
tax for up to 5 years¹

**Globally
diversified
portfolio**

Build a globally
diversified portfolio
with WealthNavi

**Fully
automated**

Manage both NISA
and taxable accounts
holistically and
automatically

¹ “Robo-NISA” utilizes general NISA, not monthly (“Tsumitate”) NISA. Up to JPY 1.2M can be invested in a NISA account every year for up to 5 years, and capital gains and dividends on investments in the NISA account are exempt from Japanese individual income tax and local taxes for up to 5 years

NISA isn't widely used despite its wide recognition

Most people know about NISA, but most have not opened NISA accounts¹

Nearly half of NISA accounts were dormant in 2021²

General NISA

Installment NISA

¹ WealthNavi analysis based on the Investment Trusts Association, "Report of survey on mutual funds in 2022 – NISA, iDeCo, etc."

² WealthNavi analysis based on FSA, "Research of activities in NISA accounts as of the end of 2021"

Many people do not use NISA because of its complicated rules and procedures

Reasons for not using NISA

1 WealthNavi analysis based on the result of a questionnaire of 949 users conducted by WealthNavi in February 2021

Helping users to continue long-term investment with a globally diversified portfolio

昨日の株価急落で不安を感じていらっしゃる方へ

2020.06.12

#長期・積立・分散 #相場が急変したとき #金融・経済・市況

昨日、世界的に株価が下落しました。2月から3月にかけての株価急落で資産の大きな目減りを経験した方にとっては、ここ最近の株価の回復で少しほっとしたところに急落があり、驚かされているかもしれません。

株価の急落を見て、一時的に資産を手放そうと考える方もいるのではないのでしょうか。そのような場合には一度立ち止まってみることをお勧めします。

コロナ・ショックのような経済危機を乗り越える過程においては、楽観的なニュースと悲観的なニュースが飛び交い、株価は短期的に急落することも、逆に急上昇することもあります。しかし長期投資の成果を決めるのは、株価の短期的な動きではなく長期的な成長です。

Webinars

Approx. 329K participants¹

¹ Participants in our webinar from April 2020 to June 2023

Most of users are working families, and about 30% have no investment experience

% of users by age¹

% of investment experience²

¹ % of account holders by age as of June 30, 2023 (rounded to the nearest whole number)

² % of answers to the question, "Do you have any investment experience in stocks, mutual funds, foreign currency deposits, FX, and bonds?" at the time of application, among account holders as of June 30, 2023 (rounded to the nearest whole number)

Most users have an equity-oriented portfolio

Risk tolerance levels

% of users; as of June 2023¹

Asset allocation of target portfolios

As of April 2023²

¹ The percentage represents the ratio of users' selection (rounded off to two decimal places). "Risk tolerance level" indicates the degree of uncertainty which a user is willing to accept. The higher risk tolerance level contains the higher risk-return characteristics

² WealthNavi's White Paper, updated in April 2023

Vast majority of users are satisfied with WealthNavi, and intend to use it for a long period of time

User satisfaction¹

•93% of users are satisfied with WealthNavi

- Very satisfied
- Somewhat satisfied
- Somewhat unsatisfied
- Very unsatisfied

Expected years of use²

•64% intend to use for 10 years or more

- 20 years or more
- 10-20 years
- 5-10 years
- Less than 5 years
- Undecided

NPS³

•WealthNavi has a high score compared to mobile-phone carriers associated with long-term use and other financial services

¹ Based on the answer to the question "Please rate your satisfaction with WealthNavi" in the questionnaire conducted by WealthNavi in July 2023
² Based on the answer to the question "How long do you plan to use WealthNavi?" in the questionnaire conducted by WealthNavi in July 2023. The result is weighted according to the age distribution of users (rounded to the nearest whole number)
³ Net Promoter Score measures customer experience by asking how likely he/she would recommend a brand to a friend or colleague and is calculated by subtracting the percentage of detractors from the percentage of promoters. WealthNavi's NPS is calculated based on the results of user experience questionnaire conducted by WealthNavi from July 2022 to June 2023. NPS of other services are from the Financial Service Authority's "Customer awareness survey on sales of risk-bearing financial products" in August 2019

Ranked No.1 robo-advisor for user satisfaction for 3 consecutive years (2021-2023)

全自動の資産運用サービス「ウェルスナビ」

3年連続
満足度総合 **No.1**

2023年 オリコン顧客満足度®調査 ロボアドバイザー 第1位

Note: Based on "2023 ORICON Customer Satisfaction Survey Robo-Advisor" conducted by oricon ME Inc.

Actual investor returns show that long-term users of WealthNavi enjoy higher, more stable returns

Investor returns

% of cumulative users by years of investing; as of June 2023

Years

Note: Calculated investor return of each user as months elapse since his/her first ETF purchase. Users who have no ETF balance as of the end of each month are excluded. Management fees charged by WealthNavi and ETF fees are deducted from investor returns. A user whose return to be 0% is categorized in a group with "0% to +5%." of return

95% of users continued to use WealthNavi even when the market price plunged due to Covid-19

1 "Continue to use" means that there is an ETF balance on the first day of the above period and there is no withdrawal (1 yen or more) in part or in whole during the period

68% of users added funds to WealthNavi accounts

User behavior

From February 20 to March 23, 2020

Note: % of users with ETF balance as of February 20, 2020. "Withdrawal" refers to some or total withdrawal (1 yen or more)

WealthNavi targets working families, which have, in total, approx. JPY 740T of financial assets

Household financial assets by age and asset size

Working families (20s-50s) are the target of WealthNavi

Primary target group of face-to-face channels for incumbent banks and securities

XX Financial assets JPY trillions

JPY 30M or more

JPY 10-30M

Less than JPY 10M

Approx. JPY 740T

Approx. JPY 1,300T

Source: WealthNavi analysis based on the Bank of Japan's "Japan's Flow of Funds Accounts, 1st quarter of 2023", the Ministry of Internal Affairs and Communications' "Population, demographic statistics and household numbers based on the Basic Resident Registration, January 2022," and the Ministry of Internal Affairs and Communications' "Household Survey, 2019"

Robo-advisors' potential market estimated to be JPY 24-36 trillion over the next 10 years as working families accelerate wealth building for retired life

Potential market for robo-advisors over the next 10 years

Financial assets owned by working families (20s-50s)

Assuming the deposit ratio of household financial assets will fall to the level of Germany (55%→39%) over the next 10 years

Assuming 20-30% of assets moving from deposits to investments are allocated to long-term investments

WealthNavi is the leading robo-advisor in Japan

AuM

JPY billions; Mar. 2023

Number of users

Thousands; Mar. 2023

AuM trend

Dec. 2016 to Mar. 2023

Source: WealthNavi analysis based on Japan Investment Advisers Association, "Contract Asset Status, June 2023". AuM of Company A to D include those under "discretionary investment business".

Distinct market leader – with 55% of total AuM growth of robo-advisors over a 12-month period

Increase in AuM of domestic robo-advisors
Mar. 2022 to Mar. 2023

The annual growth of the robo-advisor market slowed down from JPY 371.1B in March 2021 to JPY 208.5B in March 2022 due to lower investor returns under volatile market conditions

WealthNavi's growth share also decreased from 70% in 2021 to 55% in 2022 for the same reasons

The growth of the robo-advisor market and WealthNavi's growth share are expected to improve moving forward as the market conditions and investor returns improve

Source: WealthNavi analysis based on Japan Investment Advisers Association's "Contract Asset Status, March 2023". AuM of Company A, B, C and D include those under "discretionary investment business."

Unlike other major managed account services, WealthNavi focuses on supporting working families
