

TO OUR SHAREHOLDERS

I would like to express my appreciation for your continued support and understanding of the Company.

The 24th business term (the fiscal year ended June 30, 2023) brought back the sight of people out in public without masks, as well as foreign visitors flooding tourist spots and other destinations around Japan.

These positive signs also have been reflected in our results. Sales of the store business grew by approximately 50% year on year, a huge leap even compared to pre-pandemic levels. Our large-scale flagship store near Harajuku Station, *@cosme TOKYO*, in particular, turned positive, growing into a real major source of revenue. As a result, we recorded our highest-ever consolidated net sales and achieved our first positive operating income in four fiscal years. We believe this was not only attributable to environmental tailwinds, but also the values ever built up by istyle.

In other words, *@cosme* has become a presence that is more clearly chosen by customers. This has enabled the brands to actively expand across our media, E-commerce, and physical stores, creating a virtuous cycle where the upsurge in their activities attracts more customers to *@cosme*. As a result, E-commerce sales continued to grow even amid vigorous sales in the physical store market, rising by approximately 16% year on year, and I feel that the coordination between platforms is growing ever stronger.

During the COVID-19 pandemic, I was often asked why we persevere with the store business. It is because some values can only be created in a physical setting. Places for face-to-face communication, where customers can directly come in contact with cosmetics, seek advice, and discover new products, will be an absolute strength for us in the coming digital society with a flood of information. I think the fact that we have managed to grow more quickly than other companies and other lines of business, building a unique position in the market, is attributable to the continuing pursuit of value through both online and offline sectors. Seeing our customers enjoy shopping at our stores and watching our brands animated with vibrant activity gives me a firm belief that we have been moving in the right direction.

With the COVID-19 pandemic finally drawing to a close, we aim to further refine the values we have built so far and make the 25th business term (the fiscal year ending June 30, 2024) our first step towards medium- and long-term growth.

I greatly appreciate your ongoing support and understanding.

September 2023

Independence Criteria for Outside Officers

The Company has established the following criteria to determine the independence of Outside Directors and Outside Auditors (hereinafter collectively referred to as “Outside Officers”). In selecting candidates for Outside Officers, we select candidates who satisfy the Company’s “Independence Criteria for Outside Officers” as well as the standards stipulated by the Companies Act and the Tokyo Stock Exchange.

In principle, the Company designates Independent Outside Officers from persons who do not meet any of the following items.

- (1) A person who holds the Company to be a major business partner (refers to a party that received payments from the Company in an amount of 2% or more of the party’s consolidated net sales in the most recent fiscal year), or a business executor thereof.
- (2) A person who is a major business partner of the Company (refers to a party that made payments to the Group that accounted for 2% or more of the Company’s consolidated net sales in the most recent fiscal year, or balance of loans to the Group that accounted for 2% or more of the Company’s consolidated total assets), or a business executor thereof.
- (3) A consultant, accounting expert or legal expert who receives large amounts of money or other assets, excluding Director compensation, from the Company (in the case that the party receiving said assets is an organization such as a corporation or association, then persons who belong to the organization in question).

(Notes) 1. A business executor is defined in the Regulations for Enforcement of the Companies Act, and includes not only executive Directors, but employees as well.

2. A large amount refers to an amount of ¥10 million or more per fiscal year for an individual, and an amount of 2% or more of total income for an organization (corporation, association, etc.).

(Notes)

1. No conflicts of interest exist between the Company and any of the above candidates.
2. The number of shares of the Company held by each candidate is stated as the number of shares substantially held, including interest in the Directors' Shareholding Association of the Company.
3. At JAPAN POST INSURANCE Co., Ltd., where Ms. Meyumi Yamada served as Outside Director from June 2017 to June 2022, incidents were detected pertaining to the switch over of contracts that may have caused disadvantage to customers and were not in line with their intentions. On December 27, 2019, the company received an administrative disposition over the matter from the Financial Services Agency based on the Insurance Business Act, etc. However, Ms. Yamada consistently made statements from the standpoint of compliance with laws and regulations. After the revelation of these incidents, she performed her responsibilities as Director by making proposals for the protection of customers and to prevent recurrence.
4. Messrs. Michimasa Naka and Shinsuke Usami are candidates to become Outside Directors.
5. Messrs. Michimasa Naka and Shinsuke Usami meet the requirements for Independent Officers prescribed by the Tokyo Stock Exchange, as well as the Company's "Independence Criteria for Outside Officers," and there is no risk of conflict of interest with general shareholders. The Company has therefore continued to register them as Independent Officers with the Tokyo Stock Exchange. In addition, Mr. Usami is the Chairperson of CARTA COMMUNICATIONS Inc., which is a major business partner of the Company, but as he is not a business executor of that company, we believe that he meets the Company's "Independence Criteria for Outside Officers."
6. Messrs. Michimasa Naka and Shinsuke Usami currently serve as Outside Directors of the Company and their terms of office as Outside Directors will reach nine years for Mr. Naka and two years for Mr. Usami at the conclusion of this Annual General Meeting of Shareholders.
7. Liability limitation agreement
The Company has entered into agreements with Ms. Meyumi Yamada and Messrs. Michimasa Naka and Shinsuke Usami to limit their liabilities for damages pursuant to the provisions of Article 423, Paragraph 1 of the Companies Act. The agreements limit the amount of their liabilities for damages to the minimum liability amount provided under Article 425, Paragraph 1 of the same Act. If the reelections of Ms. Yamada and Messrs. Naka and Usami are approved as proposed, the Company plans to continue the same liability limitation agreement with them.
8. The Company has entered into a directors' and officers' liability insurance contract (D&O insurance contract) with an insurance company and intends to renew said contract in April 2024. The insurance contract covers legal damages and litigation expenses, etc. incurred by the insured individual as the result of unjust acts committed by the insured based on his or her position, and the Company will bear the entire premium for all insured parties. If each candidate is elected, each candidate will be included in the contract as an insured party.
