Please consult with your certified public tax accountant or other experts concerning specific tax related questions and make a decision at your own discretion.

- (a) For individual shareholders:

- (i) In the case where the Tendering Shareholder, Etc. is a resident of Japan or a non-resident with a permanent establishment in Japan

If the amount of money delivered for tendering shares in the Tender Offer exceeds the amount of the portion corresponding to the shares that are the basis of the delivery included in the Tender Offeror’s stated capital (in the case of a consolidated corporation, the amount of consolidated individual stated capital), the amount of the excess portion is deemed to be dividend income and is subject to taxation. With respect to the amount that is deemed to be dividend income, is subject to withholding equivalent to 20.315% (15.315% in income taxes and the special reconstruction income tax under the Act on Special Measures concerning Securing Financial Resources Necessary to Implement Measures for Reconstruction in Response to the Great East Japan Earthquake (Act No. 117 of 2011, as amended; the “**Special Reconstruction Income Tax**”) and 5% in resident taxes) in principle (non-residents with a permanent establishment in Japan are exempt from special collection of the 5% resident tax). However, if a shareholder is a large shareholder, etc. prescribed in Article 4-6-2, paragraph 12 of the Order for Enforcement of the Act on Special Measures Concerning Taxation (Cabinet Order No.43 of 1957, as amended) (“**Large Shareholder, Etc.**”), the equivalent of 20.42% of the payment is withheld (income tax and Special Reconstruction Income Tax only). The amount of the monies delivered for tendering shares in the Tender Offer minus the amount deemed to be dividend income is proceeds from the transfer of shares. The amount of proceeds from the transfer of shares minus acquisition expenses relating to the shares is in principle subject to separate self-

assessment taxation.

In the case where shares in a tax-exempt account (“**Tax-Exempt Account**”) prescribed in Article 37-14 (Tax-Exempt Status of Income from Transfers Relating to Small Amounts of Listed Shares in Tax-Exempt Accounts) of the Act on Special Measures Concerning Taxation (Act No. 26 of 1957, as amended) are tendered in the Tender Offer and the financial instruments business operator with which the Tax-Exempt Account was opened is Daiwa Securities Co. (ii) In the case where the Tendering Shareholder, Etc. is a non-resident of Japan without a permanent establishment in Japan

The amount deemed to be dividend income is subject to 15.315% withholding (income tax and Special Reconstruction Income Tax only).
