## Outline of Partnership Building Promotion Initiative

It is a declaration of the company commitment to build new partnerships by promoting collaboration, common prosperity with its supply chain partners and value-creating businesses.

The company declares, in the name of its representative, common prosperity of all businesses in the supply chain and new cooperation beyond size and affiliation in compliance with desirable business practices between the purchasers and suppliers, which is defined as the promotion standards based on the Act on the Promotion of Subcontracting Small and Medium-sized Enterprises. It is posted on the portal site operated by the National Association of Small and Medium Enterprise Promotion Organizations to visualize the efforts of the companies.

The Company will strive to build better relationships with the business partners and create new value throughout the supply chain by continuously working on inter-company collaboration and fair transactions in line with the commitment to support partnership building promotion initiative.

This initiative is related with the four goals in the SDGs.
