Notice Regarding Recording of Non-Operating Expenses (Foreign Exchange Losses) in Consolidated Financial Statements

Financial Partners Group Co., Ltd. (FPG) announces that it has recorded non-operating expenses (foreign exchange losses) in its consolidated financial statements for the fiscal year ended September 30, 2023.

1. Reason for Recording Non-Operating Expenses (Foreign Exchange Losses) in Consolidated Financial Statements

FPG has recorded JPY1,574 million in non-operating expenses (foreign exchange losses) in the consolidated financial statements for the fiscal year ended September 2023 due to fluctuations in exchange rates. This is due in part to the translation difference of foreign currency-denominated borrowings and the cost of foreign exchange contracts to hedge the foreign exchange risk of foreign currency-denominated assets.

2. Impact on Financial Results

The above information is reflected in the “Consolidated Financial Results for the Fiscal Year ended September 30, 2023 (Japanese GAAP)” announced today.
