Notice regarding approval to extend operational period for Units 1 and 2 at Sendai Nuclear Power Station

As mentioned in our disclosure dated October 12, 2022, titled "Application for Approval to Extend the Operation Period for Unit 1 and 2 at Sendai Nuclear Power Station," we have applied for approval from the Nuclear Regulation Authority. As of today, we have received approval from the NRA as follows:

Summary of Approval for Extension of Operational Period

Based on Article 43-3-32 of the Act on the Regulation of Nuclear Source Material, Nuclear Fuel Material and Reactors, we made an application to approve the extension of the operational period of 60 years on October 12, 2022.

Subsequently, we diligently and sincerely followed the national examination process, and we received approval to extend the operational period on November 1, 2023.
