[Monthly comment]

In October, net sales totaled 104.2% for existing stores compared with the previous year and 113.9% for all stores.

Due to factors including favorable sales of apparel, brand items, sports and outdoor items given high temperatures throughout the month, sales for both existing stores and all stores increased year on year although the number of holidays was one day less.

*The seven-day sales campaign, which was conducted in October the previous year, was conducted in early November this year.

[Information on opening and closing stores]

Treasure Factory (general): One store opened in Tatebayashi on October 7.

*One UseLet store in Kuki closed on October 29 for relocation and will reopen on November 11 at the relocation destination.
