[Updated] Announcement of Acquisition Price and Other Fees in the Business Acquisition

TOKYO ELECTRON DEVICE LIMITED (the “Company”), hereby announces the acquisition price in the acquisition of the wafer inspection system business, a part of the business of Nippon Electro-Sensory Devices Corporation. The information had been undisclosed in the “Announcement of Business Acquisition” dated September 14, 2023, but upon discussion with the Accounting Auditor, the Company has decided that it is appropriate to disclose such information. The Company also announces the nature and amount of main acquisition-related fees. Details are as stated below.

Going forward, the Company will promptly announce any matters that should be disclosed when they arise.

1. Acquisition price
 - 1,200 million yen
2. Nature and amount of main acquisition-related fees
 - Advisory fees, etc. 64 million yen
