Notice of Release of INTEGRATED REPORT 2023

dip Corporation (“dip”) is pleased to announce that it has released its INTEGRATED REPORT 2023, a report integrating financial and non-financial information to help stakeholders better understand the company, as detailed below.

INTEGRATED REPORT 2023 summarizes the various values we have provided to society through the strengths in our business model that we have cultivated throughout our history based on our management philosophy. It also contains our initiatives for realizing the society we aim for.

The report also captures the impact of the dramatic evolution of AI and other technologies on the labor market and describes the strengths of our human capital, which is central to value creation, the path to further growth, and the story of our sustainable corporate value enhancement.

With our INTEGRATED REPORT 2023, we will deepen our constructive dialogue with diverse stakeholders and work to achieve sustainable growth and medium- to long-term corporate value enhancement.

▲ Integrated Report Cover

The report can be found on our corporate website below.

The English version of the report will also be released soon.

(Note) English documents are prepared as a courtesy to our stakeholders. In the event of any inconsistency between English-language documents and the Japanese-language documents, the Japanese-language documents will prevail.
