(Notes)

1. The figures shown are those disclosed on November 17, 2023.
2. Overseas consolidated subsidiaries that have applied the International Financial Reporting Standards (IFRS) have applied IFRS 17 “Insurance Contracts” and IFRS 9 “Financial Instruments” from the beginning of the fiscal year ending March 31, 2024. Accordingly, the figures for the fiscal year ended March 31, 2023 have reflected the retrospective application of these accounting standards, etc.

There is no impact on the adjusted consolidated profit of the group management numerical targets, and the forecast will not be revised.

(2) Reason for the revision

Due to the recording of gains on sales of securities in the third quarter of the fiscal year ending March 31, 2024, as described in 1 above.

Note)

The above forecasts are based on available information as of the date of this announcement, and the actual results may differ from these forecasts due to various factors in the future.
