Note: AS ONE places particular emphasis on net sales per day, as sales of consumables used in research, industrial and medical fields tend to fluctuate according to variations in the total number of operating days.

### 3. The comments

The orders for high-priced analyzers and devices have been favorable, with a 12.0% year-on-year increase in the laboratory sector and a 7.1% increase in the industry sector. The medical sector saw a revenue decrease of 11.8% year-on-year due to the backlash from the 8th wave of Corona last year.

#### About this material

The figures in these materials are non-consolidated figures that contain some provisional numbers from early reporting. They are provided to show trends for the convenience of investors. Temporarily uncategorized net sales, and adjustments for intra-Group transactions and deductions in consolidated financials are not accounted for. For purposes of reference, in fiscal year ended March 2022, the total annual net sales under this method were 86,178million yen, annual net sales on a non-consolidated basis were 88,625 million yen, and consolidated net sales were 91,421 million yen.

The disclosure of this report in Jun., Sep., Dec. and Mar. will be made at the same time as the disclosure of the Summary of Financial Results.
