Notice Regarding Completion of Financial Instruments Intermediary Service Provider Registration

Financial Partners Group Co., Ltd. (FPG) is pleased to announce that as of December 21, 2023, we have successfully completed the registration as a Financial Instruments Intermediary Service Provider (Financial Instruments Intermediary Service Provider, Registered with Kanto Local Finance Bureau (FIISP) No. 1022).

1. Reasons for Financial Instruments Intermediary Service Provider Registration

FPG has been addressing our customers' challenges and needs through various financial products and services.

With the recent registration as a Financial Instruments Intermediary Service Provider, FPG will appoint our affiliated company, FPG Securities Co., Ltd., as an affiliation financial instruments firm, and aims to open up new possibilities for our customers in terms of asset formation and management through the provision of diverse financial products and services.

2. Impact on Financial Results

There is no change in the consolidated earnings forecast for the fiscal year ending September 30, 2024, as a result of this matter.
