**Notice concerning Capital Increase of Sub-Subsidiary (to be a Designated Subsidiary)  
 to Invest in Production Capacity of Tablet Baby Formula Products in Europe**

Meiji Holdings Co., Ltd. (the “Company”) announces that its subsidiary Meiji Co., Ltd. (“Meiji”) resolved to execute a capital increase to Meiji’s 100% subsidiary Meiji Food Europe B.V. (“MFE”) at a meeting of the Board of Directors held on January 10, 2024.

**Details**

**1. Reason for the Capital Increase**

Meiji will execute a capital increase of MFE, and the amount will be equivalent to the amount of investment for increasing production capacity. Meiji has collaborated with Danone regarding production equipment and production technology support for their tablet baby formula that is sold by Danone in the UK, France, Italy, Estonia, Latvia, and Lithuania.

The new production equipment will be installed at Danone’s Wexford factory in Ireland, which is already manufacturing the tablet baby formula. New production equipment will be designed based on the state-of-the-art production equipment at Meiji’s Saitama factory and it is expected to provide efficiency.
