

## Food Valley introduces Kori-Tofu as a new food that deserves attention!

Asahimatsu Foods Co., Ltd. (Head Office: Osaka city and Iida city, CEO: Hirotaka Kinoshita) is participating and active in Food Valley, a major hub for food science and business in the Netherlands. At the partner event, Kori-tofu has introduced as a food that should be noticed by the next generation in the EU.

The exhibition was inspired by the traditional method for making Kori-tofu.

Kori-tofu is introduced as a noteworthy food along with quinoa and chlorella. It was prepared with shiitake mushroom stock (vegan friendly) and sampled by the participants. It was generally well received.
