

Support for Noto Peninsula Earthquake Victims by Collaboration with Daiichi Koutsu Sangyo Group

We would like to extend our deepest sympathies to all those affected by the Noto Peninsula Earthquake of 2024, which occurred on January 1, 2024.

Leopalace21 Corporation (Headquarters: Nakano-ku, Tokyo; President: Bunya Miyao; "the Company") announced that it will support the employment of those who have lost their homes and workplaces due to the earthquake by working with Daiichi Koutsu Sangyo Group (Headquarters: Kokurakita-ku, Kitakyushu, Fukuoka; Representative Director: Ryoichiro Tanaka; "Daiichi Koutsu") as part of its reconstruction assistance for those who have been suffering from the disaster.

<Outline of collaboration>

The Daiichi Koutsu Sangyo Group will support the disaster victims in terms of employment by hiring approximately 100 full-time employees, mainly as taxi drivers. The Company will provide support in terms of housing by securing and offering rental housing under the management for company housing to those affected by the disaster.

The Company will continue to work on solving all kinds of social issues through housing under our Sustainability Vision: We go on creating new value for society today and in the future.
