Findex Inc. had disclosed our “Plan for Compliance with Prime Market Listing Maintenance Standards” on March 24, 2023. As of the end of December 2023, the Company has confirmed compliance with all listing maintenance standards.

The Company did not meet the continued listing criteria of the Prime Market only in terms of the “Tradable share market capitalization” which is calculated by multiplying the “number of listed shares” by the “stock price”, as of the transition reference date (June 30, 2021) and December 31, 2022. However, as a result of efforts based on the “Plan to Comply with the Continued Listing Criteria of the Prime Market”, as of the end of December 2023, the Company has fulfilled all the standards for compliance with the Prime Market continued listing criteria.
