TODA CORPORATION (the “Company”) hereby announces that at the Board of Directors Meeting held today, the Company has resolved to introduce a scheme to grant post-delivery type stock to employees of its domestic Group companies (the “Employees”) through the TODA CORPORATION Group Employee Shareholding Association (the “Shareholding Association”) as an incentive program for the Employees (the “Program”) as described below.

### 1. Purpose of introducing the Program

Our domestic Group companies have been offering incentives to the Employees who participate in the Shareholding Association for the purpose of building their wealth and motivating them to work through the ownership of the Company's common stock, and will now introduce the Program to further promote this concept.

The introduction of the Program is intended to provide the Employees with an opportunity to acquire shares of the Company's common stock through the Shareholding Association, thereby sharing shareholder value over the medium- to long-term, contributing to medium- to long-term improvements in the Company's business performance and corporate value, and providing incentives to motivate the Employees to continue working for the Group.

### 2. Outline of the Program

(1) Eligible persons	The Shareholding Association participants who made continuous contributions and did not make any withdrawals during the eligible period (May through December 2024). * Inactive Shareholding Association participants, those who have withdrawn from the Shareholding Association for

Under the Program, the Group company shall grant points to employees who are the Shareholding Association participants and have agreed to the Program (the “Eligible Employees”) after the end of the eligible period as predetermined by the Group company. After the points are granted, the Group company shall provide a monetary claim to the Eligible Employee as a special stock incentive for the grant of shares of the Company's common stock (the “Special Stock Incentive”), and the Eligible Employee shall contribute the Special Stock Incentive to the Shareholding Association.

The Shareholding Association shall make an in-kind contribution to the Company of the Special Stock Incentive contributed by the Eligible Employees, and the Company shall allot shares of the Company's common stock by means of issuance of new shares or disposal of own shares. The number of shares to be allotted may be reasonably adjusted in the event of unavoidable circumstances requiring adjustments of the number of shares, such as a stock split, gratis allotment of shares, or consolidation of shares of the Company's common stock.

The allocation and management of the shareholdings in the Shareholding Association to be allocated shall be conducted through Mitsubishi UFJ Morgan Stanley Securities Co., Ltd., the administrative agent of the Shareholding Association.
