**Regarding some of yesterday's media reports**

Yesterday, there was a report in a foreign media outlet regarding the sale of shares of Alps Logistics Co., Ltd. (Tokyo Stock Exchange Prime Market Code: 9055) by our company. However, this was not disclosed by our company.

We are constantly considering various possibilities, including the sale of assets including the shares in the report, for the enhancement of our corporate value. However, there are no concrete decisions made at this time.

If and when we decide on facts that need to be disclosed in the future, we will promptly make an announcement.
