■ **Outline of “ITB BERLIN The World’s Leading Travel Trade Show”**

Under the theme of “DEFINE THE WORLD OF TRAVEL. TOGETHER.,” leaders and experts in the travel industry gather from around the world. During the event, it is expected to attract a wide range of service providers and buyers from more than 180 countries, including travel agencies, on-line travel agencies (OTA), tour operators and lodging facility providers.

“ITB BERLIN The World’s Leading Travel Trade Show” will also include the Japan National Tourism Organization (JNTO) and other organizations that aim to promote tourism within Japan. In collaboration with these organizations, we will provide attractive information to foreign tourists considering visiting Japan. At the same time, we will strengthen our support services in Japan, including the Internet environment, in order to provide a more extensive travel experience.

#### ■ Introduction to the Vision Booth

“NINJA WiFi” provided by Vision is a mobile Wi-Fi router rental service that is indispensable for foreign visitors to Japan. Through this service, you can connect multiple devices, such as smartphones, tablets and laptops, to the Internet at the same time. The ability to pick up the device at the airport immediately after arrival in Japan, return it at the airport upon returning home, wide coverage of LTE area (with a real population coverage ratio of 99% or more), and ease of use are highly regarded by many travelers.

The main objective of this exhibition at “ITB BERLIN The World’s Leading Travel Trade Show” is to widely communicate the strengths of “NINJA WiFi” provided by the Vision to global markets and to expand its distributor network. Through this exhibition, we aim to further enhance our “NINJA WiFi” distributor network and strengthen our provision of services to inbound travelers from around the world.

#### ■ “NINJA WiFi” Service Profile as of February 27, 2024
