## Notice of Organizational Change (Establishment of Tokyo Sales Dept.3)

Financial Partners Group Co., Ltd. (FPG) announces the following organizational change effective from April 1, 2024.

## 1. Details of the Change

Effective April 1,2024, FPG will newly establish "Tokyo Sales Dept.3", changing the structure of the Tokyo Sales Division from the current three-department system (Tokyo Sales Dept.1, Tokyo Sales Dept.2, West Tokyo Sales Dept.) to a four-department system.

## 2. Purpose and Background of the Change

FPG successfully expanded the Lease Fund Business and Domestic Real Estate Fund Business, the first and second pillars of our business, in addition to the successful launch of the International Real Estate Fund Business, which we position as our third pillar. This has led to a diversification of our revenue base, and our business scale continues to expand. In light of these circumstances, we aim to provide more tailored services that meet our customers' needs and further strengthen our sales foundation in the Tokyo area, a major urban commercial zone. We plan to achieve this by transitioning from the current three-department system to a four-department system.

FPG and its affiliates will continue to focus on the development of new products and services tailored to our customers' needs, aiming for further business expansion and enhancement of corporate value.
