### (Amendment to Previous Disclosure) Notice Concerning Amendment to Details of Restricted Share Allotment Agreement for Disposition of Treasury Stock as Restricted Shares for Directors

ValueCommerce Co., Ltd. (the “Company”) has granted performance-based restricted shares to the Company’s Directors (excluding Directors who are Audit and Supervisory Committee Members and Outside Directors; hereinafter the “Eligible Director(s)”), as announced in “Notice of Disposition of Treasury Stock as Restricted Shares” (hereinafter the “Original Disclosure (i)”) on March 24, 2022, and it has also amended parts of the details of the restricted share allotment agreement between the Company and the Eligible Directors, as announced in “(Amendment to Previous Disclosure) Notice Concerning Amendment to Details of Restricted Share Allotment Agreement for Disposition of Treasury Stock as Restricted Shares for Directors” (hereinafter the “Original Disclosure (ii)”; together with Original Disclosure (i) the “Original Disclosures”) on March 27, 2023. However, the Company hereby announces that, at a meeting held today, the Board of Directors resolved to amend parts of the details of the restricted share allotment agreement between the Company and the Eligible Directors, which was announced in the Original Disclosures. Details are as follows.

#### 1. Reason for amendment

As stated in the Original Disclosure (i), in accordance with the service-based restricted share plan (the “Plan I”), which has the purpose of providing incentives to sustainably enhance the Company’s corporate value and promoting further shared value with shareholders, and the performance-based restricted share plan (the “Plan II”), which has the purpose of clarifying the linkage between performance targets and remuneration as well as making Directors committed to performance, in addition to the above objectives, the Company resolved, at its Board of Directors meeting held on March 23, 2022, to dispose the Company’s common shares as restricted shares (the “Disposition of Treasury Stock”) by granting monetary remuneration claims as detailed below, which are served as contribution in kind, to two Eligible Directors. In line with the Disposition of Treasury Stock, the Company and the Eligible Directors individually entered into restricted share allotment agreements (hereinafter, agreements

pertaining to performance-based restricted shares referred to as the “Allotment Agreement II”).

(i) Restricted share-based remuneration plan under the Plan I

Monetary remuneration claims of 3,967,200 yen and 1,160 common shares

(ii) Restricted share-based remuneration plan under the Plan II

Monetary remuneration claims of 32,011,200 yen and 9,360 common shares

Moreover, as stated in the Original Disclosure (ii), at its Board of Directors meeting held on March 27, 2023, the Company revised parts of the performance-based conditions for lifting the transfer restrictions stipulated in the Allotment Agreement II.

In light of the Company’s financial results of the fiscal year ended December 31, 2023, the Company revised its Medium-Term Management Plan, as described in “FY2023 Financial Results and Revision of Medium-Term Management Plan” (\*) announced on January 30, 2024. Under the Allotment Agreement II, the Company had set performance-based conditions based on the previous Medium-Term Management Plan. However, the Company considered that it would be appropriate to revise the performance-based conditions to reflect the newly created Medium-Term Management Plan in order to keep the Eligible Directors committed to the Company’s business performance. Therefore, the Company revised the performance-based conditions for lifting the transfer restrictions stipulated in the Allotment Agreement II.

Except for the revisions presented in “2. Details of amendment” below, there are no changes to the content stated in “1. Summary of disposition,” “2. Purpose of and reason for disposition,” “3. Summary of restricted share allotment agreement,” and “4. Basis for calculation of paid-in amount and specific details thereof” in the Original Disclosures.
