**(Progress of Disclosure Items)**

**Announcement of a Company Name Change of Subsidiary**

As we have completed the acquisition of the shares of Digital Arts Consulting, Inc. (hereinafter "Digital Arts Consulting") today (meaning that it has become our subsidiary), Digital Arts Consulting has resolved to change its corporate name since April 1, 2024 at its shareholders' meeting held today. The details are as follows:

**Details**

1. Change of the corporate name

(1) Reason for the change

As disclosed in the "Announcement of the Acquisition regarding Shares of Digital Arts Consulting, Inc. (making it our subsidiary)" on February 14, 2024, that we acquired the shares in Digital Arts Consulting, we have completed the acquisition today and it has become our subsidiary. Digital Arts Consulting has resolved to change its corporate name as a member of our Group to move forward with a new stage. In addition, as disclosed in "(Progress of Disclosure Matters) the Announcement of the Transfer of Shares of Digital Arts Consulting Inc. to our Subsidiary" on March 14, 2024 that it would become a subsidiary of CyLeague, Inc., our subsidiary, in April 1, 2024, the new system will start on April 1, 2024 and the change of the name will also be made on the same date.

The reason of this naming is, firstly, a combination of "ideal" and "route" to become the best consulting partner for clients with a path to realizing their ideal, and, secondly, while digital and cyber-security services cannot be separated although they are in the opposite directions (offence and defense), it aims to be No.1 in these both areas

(2) New name in English

IdealRoute Consulting, Inc.

(3) Date of the change

April 1, 2024
