## Domestic Business 2/3

## - BtoB Online E-commerce (monotaro.com)

## Acquiring New Customers

- Maximizing number of new customer and cumulative LTV acquired by using online (SEM, SEO) and offline (flyers) advertising at appropriate costs based on calculation of expected lifetime value of each customer
New customer acquisition in 2024Q1, however, did not reach Plan.

## Expanding Existing Customers' Sales

Continuing measures to re-engage dormant customers (flyers, mini-catalogs sent). - Developing and implementing infrastructure that enables more real-time personalized sales promotions for high-frequency customers to expand their purchase product categories.
Efforts are underway to extend the same-day shipping cutoff time.

## - System Connection with Large Corporations (Large Corporation Business)

## Acquiring New Customers

## Expanding Customers' Usage

Strengthening sales resources to acquire new connections from large companies, especially those with large sales and user base.
Acquisitions of large corp. customers, especially with large sales, remain

- Conducting interviews with customers regarding indirect material procurement methods and issues. Proposals on efficient indirect material procurement will be made based on analysis on interviews.
Testing is underway to realize one-to-one marketing.
- Working on extending deadline for same-day shipping orders
