Notice Regarding Partial Amendments to the Articles of Incorporation

Mitsubishi Corporation (MC) hereby announces that the Board of Directors resolved at their meeting today to propose “Partial Amendments to the Articles of Incorporation” to MC’s 2024 Ordinary General Meeting of Shareholders to be held on June 21 of this year.

1. Reasons for the Amendments

(i) Changes Resulting from a Transition to a Company with an Audit & Supervisory Committee, etc.

As announced in the “Notice Regarding Transition to a Company with an Audit & Supervisory Committee” dated March 15, 2024, MC has decided to transition from a Company with an Audit & Supervisory Board into a Company with an Audit & Supervisory Committee. Accordingly, the following changes will be made to MC’s Articles of Incorporation.

- a. To transition to a Company with an Audit & Supervisory Committee, MC will newly establish the provisions regarding the Audit & Supervisory Committee, as well as Directors who are Audit & Supervisory Committee Members, and delete the provisions regarding the Audit & Supervisory Board and Audit & Supervisory Board Members, etc. In addition, to facilitate flexible decision-making and business execution, MC will newly establish Article 24, which pertains to the delegation of authority to Directors, and make amendments to other provisions as necessary.
- b. As part of the transition to a Company with an Audit & Supervisory Committee, MC shall newly establish Article 17 to set the maximum number of Directors in order to make MC’s Board of Directors an appropriate size from the perspective of ensuring the effectiveness.
- c. In order to more flexibly conduct the return of profits to shareholders, MC shall newly establish Article 31, which enables decisions to be made by a resolution of the Board of Directors on dividends based on surplus and acquisition of treasury shares, etc., and delete the provisions of Articles 7 and 34 of the current Articles of Incorporation regarding acquisition of treasury shares and decisions on interim dividends, as they partially overlap with the new provision of Article 31. Even after the amendment to the Articles of Incorporation becomes effective, MC may continue to determine dividends based on surplus, etc. by a resolution of the general meeting of shareholders.

(ii) Amending the Objectives of the Company

To prepare for further diversification of our business and expansion into new fields in the future amid increasing uncertainty in the business environment surrounding MC, MC will restructure the

Objectives of the Company as stipulated in the current Articles of Incorporation to align the recently announced reorganization, in addition to changing the number of articles, etc. accordingly.

(iii) **Other General Amendments**

The number of articles will be revised in accordance with the establishment of new articles and deletion of existing articles. Necessary changes will also be made, such as the establishment of new section numbers.

The details of the amendments to the Articles of Incorporation are as shown in the attached sheet (indicated in the underlined sections).
