#### 2. Reason

In the full-year ended March 31, 2024, we achieved the highest results since the listing for operating income, ordinary income, and profit attributable of owners of the parent, due to the steady growth of both domestic and global businesses in the Space business. Based on a comprehensive consideration of the current fiscal year's results and financial status, and the 5-year shareholder return policy (disclosed on April 28, 2022) from the fiscal year ended in March 2023, we decided to increase the dividend for term-end of Fiscal Year 2024 to JPY11, which is a 1-yen increase from the most recent forecast for dividends. As a result, the annual dividend for the fiscal year under review, which is the sum of the 2nd quarter-end dividend of JPY10 per share, will be JPY21, an increase of JPY1 per share from the results of the previous fiscal year.

3. Dividend forecasts for the fiscal year ending March 31, 2025

We expect revenue and profits to increase in the fiscal year ending March 31, 2025, and we plan to increase the dividend per share by ¥1 in accordance with the shareholder return policy described above, while investing in growth. The annual dividend for the fiscal year ending March 31, 2025 will be JPY22.
